Policing the Global South Danielle Watson, Sara N. Amin, Wendell C. Wallace, Oluwagbenga (Michael) Akinlabi, Juan Carlos Ruiz-Vásquez, 2022-11-11 *Policing the Global South* provides scholarship which further transnationalises and democratises ideas about policing practices and philosophies highlighting renovations in approaches to policing studies and injecting innovative perspectives into the study of policing from scholars positioned on the periphery Criminological knowledge depolarisation underscores a conscious effort by scholars from the Global South to increase intellectual knowledge focused on developing context specific responses to issues not aligned to Northern ideological positions and specific to the non Northern context Such shifts draw attention to the expanse of spaces beyond Northern centres rife with challenges unlike any specific to those experienced or conceptualised by scholars from the Global North with an applied Northern criminological lens Applying a postcolonial lens to empirical knowledge from country specific cases in former colonies in Africa Asia the Caribbean the Pacific and Latin America this book examines how policing issues not aligned to Northern ideological positions and specific to non Northern contexts are addressed The primary purpose is to share innovations in the field of policing service provision threats to security crime responses justice and international trends developed in postcolonial developing country contexts Given the aim of the book and the contributors own research on issues of policing across the globe it discusses themes including but not limited to the colonial legacies and their impact on policing how plural regulatory systems and partnerships are navigated by the police the linkages between access to justice community perceptions and police legitimacy innovations and challenges in organisational reform crime prevention and community partnerships and the expanding roles of police organisations in the Global South While each chapter presents a policing issue in a country within a specific part of the Global South the book highlights how important it is to frame responses based on contextual realities informed by an awareness of the past and present with a goal of informing the future Delivering a much needed introduction to those specialising in policing in developing countries this book is invaluable reading for academics and students of criminology criminal justice governance policy and IR as well as professionals in policing organizations across the globe

Cars & Parts, 1982 *Guidelines for Ferry Transportation Services* Anthony Bruzzone, 2012 The purpose of this research is to investigate the state of ferry transit operations in North America and to develop practitioner guidance for the planning marketing operation and management of ferry transportation systems The research is intended to present a uniform understanding of the status of ferries as well as options for how to approach planning and operational activities This guidebook is intended for use by operators large and small in publicly or privately owned operations for the development of ferry operations as a solution to a transportation need This research was

developed through literature searches of previous studies reviews of existing government and state documents telephone interviews with a broad selection of ferry operators in depth case studies of eight ferry operators and ferry systems geographically dispersed across the North American continent and peer review of the interim documents The main body of this report contains the case studies and a guidebook Two appendices provide additional information to support the work documented within the main body of the report Appendix A provides a listing of literature review sources and Appendix B documents the results of a survey of ferry operators that was developed and implemented in this research

The Corvette in Literature and Culture Jerry W. Passon, 2011-11-08 As the original American sports car the Chevrolet Corvette has come to represent power freedom and sexuality for more than half a century Yet it also hints at personal identity and style suggesting how effectively values and meaning are communicated through an object Using various critical perspectives this close analysis of this highly recognizable automobile finds diverse aspects of American culture revealed Topics covered include the Corvette in literature its ties to masculine identity including homosexuality as well as female sexuality and the Corvette as artistic object among others
