Songling Pu, 2022-09-15 Pu Songling's *Strange Stories from the Chinese Studio* is an exquisite tapestry of fantastical narrations steeped in the rich folklore and culture of 17th century Qing dynasty China. The author employs a blend of wry humor and subtle critique deftly navigating through varied terrains of the human and the supernatural. These tales oscillate between the trappings of the mortal and the ethereal, capturing the eccentricities of the elite alongside encounters with otherworldly beings. The narrative style is marked by a crisp economy of words yet imbued with a lyrical quality that underscores the timeless nature of its content, offering a remarkable reflection of society within a literary context inflected by Confucian moral principles. Songling Pu, a masterful chronicler of the strange and the extraordinary, channels his keen observations of the social hierarchy and the cultural dynamics of his time into his writing. The diverse range of his stories manifests his deep insight into the human condition and his satirical edge surfaces as a response to the rigid class structures and the bureaucracies of his era. Pu's background as a scholar familiar with classical Chinese literature and philosophy is evident in the allegorical layers embedded within his narratives, which continue to resonate with contemporary audiences and scholars alike. Recommended for aficionados of classic literature and those intrigued by Chinese mythos, *Strange Stories from the Chinese Studio* offers a captivating glimpse into a world where the mundane and the magical collide. Pu Songling serves as an essential voice of his culture, and his work endures as a notable contribution to the canon of world literature. This collection, with its enduring themes and vivid portrayal of a society long past, is poised to enchant, educate, and provoke thought in equal measure.

Selected Works on China Various Authors, Let me state at the outset that I know no Chinese. My duty in Mrs Ayscough's and my joint collaboration has been to turn her literal translations into poems as near to the spirit of the originals as it was in my power to do. It has been a long and arduous task but one which has amply repaid every hour spent upon it. To be suddenly introduced to a new and magnificent literature not through the medium of the usual more or less accurate translation but directly as one might burrow it out for one's self with the aid of a dictionary is an exciting and inspiring thing. The method we adopted made this possible as I shall attempt to show. The study of Chinese is so difficult that it is a life work in itself so is the study of poetry. A sinologue has no time to learn how to write poetry a poet has no time to learn how to read Chinese. Since neither of us pretended to any knowledge of the other's craft our association has been a continually augmenting pleasure. I was lucky indeed to approach Chinese poetry through such a medium. The translations I had previously read had given me nothing. Mrs Ayscough has been to me the pathway to a new world. No one could be a more sympathetic go-between for a poet and his translator and Mrs Ayscough was well fitted for her task. She was born in Shanghai. Her father who was engaged in business there was a Canadian and her mother an American. She lived in China until she was eleven when her parents returned to America in order that their children might finish their education in this country. It was then that I met her so that our friendship is no new thing but has persisted in spite of distance for more than thirty years to ripen in the end into a partnership which is its culmination. Returning to China in her early twenties she

became engaged to an Englishman connected with a large British importing house in Shanghai and on her marriage which took place almost immediately went back to China where she has lived ever since A diligent student of Chinese life and manners she soon took up the difficult study of literary Chinese and also accepted the position of honorary librarian of the library of the North China Branch of the Royal Asiatic Society Of late years she has delivered a number of lectures on Chinese subjects in China Japan America and Canada and has also found time to write various pamphlets on Chinese literature and customs In the Autumn of 1917 Mrs Ayscough arrived in America on one of her periodic visits to this country She brought with her a large collection of Chinese paintings for exhibition and among these paintings were a number of examples of the Written Pictures Of these she had made some rough translations which she intended to use to illustrate her lectures She brought them to me with a request that I put them into poetic shape I was fascinated by the poems and as we talked them over we realized that here was a field in which we should like to work When she returned to China it was agreed that we should make a volume of translations from the classic Chinese writers Such translations were in the line of her usual work and I was anxious to read the Chinese poets as nearly in the original as it was possible for me to do At first we hardly considered publication Mrs Ayscough lives in Shanghai and I in Boston and the war time mails were anything but expeditious but an enthusiastic publisher kept constantly before us our ultimate if remote goal Four years have passed and after many unavoidable delays the book is finished We have not done it all by correspondence Mrs Ayscough has come back to America several times during its preparation but whether together or apart the plan on which we have worked has always been the same Very early in our studies we realized that the component parts of the Chinese written character counted for more in the composition of poetry than has generally been recognized that the poet chose one character rather than another which meant practically the same thing because of the descriptive allusion in the make up of that particular character that the poem was enriched precisely through this undercurrent of meaning in the structure of its characters But not always and here was the difficulty Usually the character must be taken merely as the word it had been created to mean It was a nice distinction when to allow one's self the use of these character undercurrents and when to leave them out of count entirely But I would not have my readers suppose that I have changed or exaggerated the Chinese text Such has not been the case The analysis of characters has been employed very rarely and only when the text seemed to lean on the allusion for an added vividness or zest In only one case in the book have I permitted myself to use an adjective not inherent in the character with which I was dealing and in that case the connotation was in the word itself being descriptive of an architectural structure for which we have no equivalent except in the Written Pictures where as Mrs Ayscough has stated in her Introduction we allowed ourselves a somewhat freer treatment It has been necessary of course to acquire some knowledge of the laws of Chinese versification But equally of course these rules could only serve to bring me into closer relations with the poems and the technical limits of the various forms It was totally impossible to follow either the rhythms or the rhyme schemes of the

originals All that could be done was to let the English words fall into their natural rhythm and not attempt to handicap the exact word by introducing rhyme at all This is the method I followed in my translations of French poems in my book Six French Poets I hold that it is more important to reproduce the perfume of a poem than its metrical form and no translation can possibly reproduce both *The Visions of Ransom Lake* Marcia Lynn McClure,2011-09 Youthful beauty naive innocence a romantic imagination thirsting for adventure an apt description of Vaden Valmont who would soon find the adventure and mystery she had always longed to experience in the form of a man A somber recluse Ransom Lake descended from his solitary concealment in the mountains wholly uninterested in people and their trivial affairs And somehow young Vaden managed to be ever in his way either by accident or because of her own unique ability to stumble into a quandary Yet the enigmatic Ransom Lake would involuntarily become Vaden s unwitting tutor Through him she would experience joy and passion the like even Vaden had never imagined Yes Vaden Valmont stepped innocently yet irrevocably into love with the secretive seemingly calloused man Ransom Lake But there were other life lessons Ransom Lake would inadvertently teach her as well the darker side of life despair guilt heartache Would Ransom Lake be the means of Vaden s dreams come true Or the cause of her complete desolation *Campfire Stories Volume II* Ilyssa Kyu,Dave Kyu,2023-03-21 A lively thought provoking collection of essays and poems that represent diverse perspectives on national parks and trails Kristen Rabe Foreword Reviews Features stories from Grand Canyon Everglades Olympic Glacier and Joshua Tree National Parks and the Appalachian and Pacific Crest National Scenic Trails Includes a diverse range of writers Inspired by America s beloved national parks *Campfire Stories Volume II* is a collection of modern prose poetry folklore and more featuring commissioned new and existing works from a diverse group of writers who share a deep appreciation of the natural world While the original *Campfire Stories* captured many historic tales reflecting the first 100 years of the National Park Service this completely new collection focused on five different parks plus two long distance trails depicts the parks as we know and experience them today Contributors represent a range of rich and diverse voices including from the BIPOC and LGBTQ communities Award winners such as Lauret Savoy Rae DelBianco and Terry Tempest Williams newer voices including Derick Lugo Rosette Royale and Ed Bok Lee and even a poet laureate Rena Priest all share their unique perspectives on our national parks and trails These new campfire stories revel in each park s distinct landscape and imaginatively transport the reader to the warm edge of a campfire ring ***The Book of Stories from the Lake*** Eileen Loveman,2010-09 Fans of *Stories from the Lake* rejoice The long awaited collection of columns written over a five year period by newspaper and online columnist Eileen Loveman have been brought together in one book to share at a moment s notice You will greatly enjoy reading and rereading Eileen s thoughtful musings interesting experiences and powerful recollections You ll easily relate to her stories as you see your own life reflected in the words and moments There s something for everyone stories that will bring about hearty laughter stories that will pull tears as they touch your heart and stories that will cause you to look a life in a new way Sit down with a hot cup
