Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

For Whom the Belle Tolls Jaysea Lynn, 2025-01-28 They told her to go to Hell. She went, but on her own terms. Lily isn't exactly thrilled with her arrival in the Afterlife, but what awaits her there is more fantastical than she ever could have imagined. Deities wait in line at the coffee shop. Fae flit between realms. Souls find ways to make death a beginning. As she explores the many corners of the Afterlife, Lily finds herself surprisingly drawn to a place most people would avoid at all costs: Hell. Armed with years of customer service experience and pent up sarcasm, Lily carves a job out for herself amongst Hell's demons, sending souls to their rightful circles with more than a hint of sass. Lily's expectations are subverted every day in Hell, especially by Bel, a demon general with a distractingly sexy voice. The two meet by chance and form an immediate, deeply healing friendship, but the undeniable heat between them threatens

to combust Meanwhile something stirs beyond the boundaries of their world threatening to destroy everything they've known and everything that could be unless they fight like Hell to stop it This debut novel from BookTok sensation Jaysea Lynn invites you to lose yourself in a world where love ignites in the unlikelyst of places magic defies the rules and the Afterlife proves more thrilling than anyone could imagine
