All The Little Live Things:

All the Little Live Things by Wallace Stegner Wallace Stegner, All the Little Live Things Wallace Stegner, 1968

All the Little Live Things Wallace Stegner, 2013-05-02 Timely and timeless Will hold any reader to its last haunting page Chicago Tribune The early life of Joe Allston the retired literary agent of Stegner's National Book Award winning novel The Spectator Bird features in this disquieting and keenly observed novel Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s Allston and his wife Ruth have left the coast for a California retreat And although their new home looks like Eden it also has serpents Jim Peck a messianic exponent of drugs yoga and sex and Marian Catlin an attractive young woman whose otherworldly innocence is far more appealing and far more dangerous The Great Gatsby captures the twenties and yet transcends them All the Little Live Things is a comparable achievement for the sixties Stegner's craft is here at an apex Virginia Quarterly Review

The Western Landscape in Cormac McCarthy and Wallace Stegner Megan Riley McGilchrist, 2012-06-25 The western American landscape has always had great significance in American thinking requiring an unlikely union between frontier mythology and the reality of a fragile western environment Additionally it has borne the burden of being a gendered space seen by some as the traditional virgin land of the explorers and pioneers subject to masculine desires and by others as a masculine space in which the feminine is neither desired nor appreciated Both Wallace Stegner and Cormac McCarthy focus on this landscape and environment its spiritual narrative symbolic imaginative and ideological force is central to their work In this study McGilchrist shows how their various treatments of these issues relate to the social climates pre and post Vietnam era in which they were written and how despite historical discontinuities both Stegner and McCarthy reveal a similar unease about the effects of the myth of the frontier on American thought and life The gendering of the landscape is revealed as indicative of the attempts to deny the failure of the myth and to force the often numinous western landscape into parameters which will never contain it Stegner's pre Vietnam sensibility allows the natural world to emerge tentatively triumphant from the ruins of frontier mythology whereas McCarthy's conclusions suggest a darker future for the West in particular and America in general However McGilchrist suggests that the conclusion of McCarthy's Border Trilogy upon which her arguments regarding McCarthy are largely based offers a gleam of hope in its final conclusion of acceptance of the feminine

Telling the Stories Right Jack R. Baker, Jeffrey Bilbro, 2018-03-26 Wendell Berry thinks of himself as a storyteller It's somewhat ironic then that he is better known as an essayist a poet and an advocate for small farmers The essays in this collection consider the many facets of Berry's life and work but they focus on his efforts as a novelist and story writer Indeed Berry had already published three novels before his seminal work of cultural criticism The Unsettling of America established him as an ardent defender of local communities and sustainable agriculture And over the past fifty years he has published eight novels and more than forty eight short stories set in the imagined community of Port William His exquisite rendering of this small Kentucky town challenges us to see the

beauty of our own places and communities and to tend their health threatened though it inevitably is The twelve contributors to this collection approach Berry s fiction from a variety of perspectives literary studies journalism theology history songwriting to shed light on its remarkable ability to make a good life imaginable and compelling The first collection devoted to Berry s fiction this volume insists that any consideration of Berry s work must begin with his stories Contributors Ingrid Anna Pierce Kiara Anne Jorgenson Doug Sikkema Ethan Bruce Mannon Fritz Oehlschlaeger Michael R Stevens Eric Miller Grace Marie Olmstead Jake Meador Andrew Peterson Encyclopedia of the American Novel Abby H.
