, The Works of the British Dramatists ... Selected from the Best Editions, with ... Notes, Biographies, and a Historical Introduction Sir John Scott Keltie, 1870 **God's Weapon** Lynn Estes, 2006-06-01 A deadly secret lay dormant for sixty years Youthful lust spawned by simplicity heredity and greed One senseless tragedy necessitates another perpetuating a final act of desperation From a sibling rivalry one brother awaits revenge A reunion bridges the passage of time and a new generation assumes the responsibility to find the truth One man's struggle becomes another man's game with only one winner A duel of wits and perseverance culminates with one weapon of choice God's Weapon TIMES OF WAR & PERIL - The Historical Novels Series (Illustrated Edition) G. A. Henty, 2023-12-10 In Times of War Peril G A Henty masterfully weaves historical narrative with adventurous storytelling offering readers a vivid portrayal of tumultuous periods in history Set against the backdrop of wars and significant upheavals Henty employs a direct and engaging literary style drawing readers into the life of young protagonists as they navigate the complexities of bravery loyalty and moral courage The illustrated edition enhances this experience allowing readers to fully immerse themselves in the historical context that shapes the characters' journeys while enriching the visual narrative of this compelling series G A Henty a prolific author of historical fiction in the late 19th century specialized in tales that appealed to a young audience His own background having served as a war correspondent during conflicts and his keen interest in the lives of soldiers and civilians alike shaped his ability to blend informative historical detail with thrilling adventure Henty's writing is influenced by Victorian ideals of masculinity and honor urging his readers to aspire to virtues exemplified by his characters This book is highly recommended for readers of all ages who seek both educational enrichment and entertainment Whether you are a historian a parent looking for inspiring narratives for younger readers or simply a lover of historical fiction Henty's Times of War Peril offers a captivating escape into the past that remains relevant and thought provoking today *The Anglo American* ,1843 *Family Herald* ,1846

Seawaif; Or, The Terror of the Coast Ned Buntline, 1859 **Chums** ,1892 *Prodigies* Francis King, 2013-11-21 Three women daughter mother and aunt abandon their pampered privileged lives in The Hague of the 1860s to set off on an epic journey to the heart of Africa Since the daughter Alexine has inherited a vast fortune from her mysterious tycoon father the women take with them the family butler and nurse and each her own personal maid In Cairo they recruit a staff of more than a hundred The male explorers of the day at first mock at so audacious a trespass into what has previously been an almost exclusively male preserve Then they begin to accord the trio a grudging admiration for their initiative courage and endurance Had she been born into a different class the mother might have made a successful career as a concert pianist The aunt unmarried once had an unhappy love affair with Tsar Alexander II The travellers go through a series of now exhilarating now bizarre and now terrifying adventures as indomitably they push on with what becomes an exploration not merely of uncharted Africa but of their own innermost selves Eventually tragedy engulfs each of them in turn In this richly inventive

novel Francis King deployed all his formidable skills as a storyteller in bringing to vivid life both these three real life characters and the extraordinary diversity of imagined people European adventurers Arab slave traders Egyptian porters African tribesmen met on their odyssey **The Gun Room** Georgina Harding, 2017-04-20 A beautiful powerful and utterly devastating novel from Orange prize shortlisted author Georgina Harding Georgina Harding's novel is the finely tuned work of a writer exceptionally at ease with her craft and a testament to the power and poetry of clean and disciplined prose Guardian The memory of war will stay with a man longer than anything else Dawn mist clearing over rice fields a burning Vietnamese village and a young photographer takes the shot that might make his career The image of a staring soldier in the midst of mayhem will become one of the great photographs of the war But what Jonathan has seen in that village is more than he can bear He flees to Japan to lose himself in the vastness of Tokyo and to take different kinds of pictures of streets and crowds and cherry blossom and of a girl with whom he is no longer lost Yet even here his history will catch up with him that photograph and his responsibility in taking it his responsibility as a witness to war and to other events buried deep in his past The first in Harding's cycle of acclaimed novels on themes of witness memory and silence The Gun Room is beautiful powerful and utterly devastating
