Online Gambling and Crime James Banks, 2016-05-13 Offering the first empirically driven assessment of the development marketisation regulation and use of online gambling organisations and their products this book explores the relationship between online gambling and crime It draws upon quantitative and qualitative data including textual and visual analyses of e gambling advertising and the records of player protection and standards organisations together with a virtual ethnography of online gambling subcultures to examine the ways in which gambling and crime have been approached in practice by gamers regulatory agencies and online gambling organisations Building upon contemporary criminological theory it develops an understanding of online gambling as an arena in which risks and rewards are carefully constructed and through which players navigate employing their own agency to engage with the very real possibility of victimisation With attention to the manner in which online gambling can be a source of criminal activity not only on the part of players but also criminal entrepreneurs and legitimate gambling businesses Online Gambling and Crime discusses developments in criminal law and regulatory frameworks evaluating past and present policy on online gambling A rich examination of the prevalence incidence and experience of a range of criminal activities linked to gambling on the Internet this book will appeal to scholars and policy makers in the fields of sociology and criminology law the study of culture and subculture risk health studies and social policy

The Gambling Debate Richard McGowan, 2007-11-30 The great majority of Americans more than 80% say they approve of gambling even if they themselves don t gamble Still deep divisions persist in our attitudes toward the gambling industry Is it profoundly destructive preying on human weakness and stripping its victims of their sustenance and dignity Or is it a vehicle of the American dream an engine of personal enrichment enormous public revenue and economic

development The industry's explosive growth has sharpened the debate radically altering the gambling landscape and dramatically raising the stakes involved Author Richard A McGowan a respected authority on the public policy aspects of gambling and other sin industries reveals the new dynamics of gambling and frames the age old ethical and practical questions it poses Whether benefit or bane gambling today permeates American culture in unprecedented ways Its newest venues Native American tribal casinos and the Internet are drawing in new gamblers in vast numbers and generating spectacular profits Social legal and political controversies inevitably have followed How should public policymakers approach expanded gambling As regulator of the gambling industry government has always been the gatekeeper Its role and responsibilities remain central to the gambling debate even while it stands to reap huge windfalls from the very industry it is regulating Meanwhile Internet gambling more or less regulated at home has found willing government sponsors abroad removing an ever larger segment of the industry from U S government jurisdiction and recasting the gambling debate Using this book citizens can Learn the ethical and rhetorical framework of the gambling debate The terms of the arguments advanced by advocates and opponents help explain why the gambling industry has been tolerated or encouraged by public policymakers Weigh the risks and rewards of government sanctioned gambling through three actual case studies from Missouri Massachusetts and the Chinese island of Macao which in 2006 surpassed Las Vegas as the gambling capital of the world Each situation highlights particular problems and opportunities and each is presented with discussion questions Take an informed position Should sports gambling be legalized Should U S restrictions on Internet gambling be loosened Should government get out of the gambling business altogether Find out more about the many facets of the gambling debate by using the study resources provided

The Gambling Act 2005 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-07-24 High street betting shops and casinos alike are currently allowed a maximum of four B2 FOBT gaming machines which allow stakes up to 100 and a 500 prize Casinos should instead be permitted to operate up to twenty B2 type gaming machines Limiting the number of B2 machines in betting shops has encouraged them to cluster in some high streets in order to satisfy customer demand Local Authorities should have the power to permit more than the four B2 machines per shop if they believe it will help with clustering The Committee also recommends that any local authority be able to make the decision as to whether or not they want a casino As a step towards this existing 1968 Act Casino licences should be made portable allowing operators to relocate to any local authority provided that they continue to be constrained by the need to obtain local authority approval a premises licence and planning permission The failure to set remote gambling taxation at a level at which online operators could remain within the UK has led to almost every online gambling operator moving offshore whilst most are still able to advertise and operate into the UK The Committee further recommends the Gambling Commission should introduce a new licence fee structure which reduces the current anomaly where small independent bookmakers pay much higher fees per shop than large chains Particularly given the absence of a significant UK

regulated online sector or any Regional Casinos the Gambling Commission remains an overly expensive bureaucratic regulator **Report of Inquiry Into the Effects of Betting on Sport** Great Britain.
