[The Broadview Anthology of British Literature Volume 4: The Age of Romanticism - Second Edition](#) Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Roy Liuzza,Jerome J. McGann,Anne Lake Prescott,Barry V. Qualls,Claire Waters,2010-07-23 In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light Fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations and an unparalleled number of illustrations and contextual materials Innovative authoritative and comprehensive The Broadview Anthology of British Literature has established itself as a leader in the field The full anthology comprises six bound volumes together with an extensive website component the latter has been edited annotated and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes The second edition of volume 4 The Age of Romanticism includes James Hogg Matthew Gregory Lewis and John Polidori as well as new selections by Mary Shelley Sir Walter Scott Maria Edgeworth Anna Laetitia Barbauld and Percy Shelley The new edition also includes two new sections of contextual materials New to the bound book is The Natural The Human The Supernatural and the Sublime a section that includes not only a good selection of material from writers such as Edmund Burke and artists such as J M W Turner but also material that may be less well known on topics such as changing human attitudes towards non animals New to the website is a wide ranging selection of contextual materials on the Industrial Revolution entitled Steam Power and the Machine Age Additional highlights of this volume include Jane Austen s Lady Susan a lesser known but wonderfully readable epistolary short novel A Hymn to Na ra yena by Sir William Jones and in an exception to the anthology s general policy of including works in their entirety Mary Shelley is represented by the last two chapters of The Last Man and by a selection of letters

[Chocolate Chip Cookie Murder \(Hannah Swensen Mysteries, Book 1\)](#) Joanne Fluke,2015-01-01 Her gingersnaps are as tart as her comebacks Chocolate Chip Cookie Murder is the first mouth watering novel in the Hannah Swensen crime series from acclaimed author Joanne Fluke Packed full of delicious recipes and perfect for fans of M C Beaton and Leslie Meier An entertaining debut with some delectable recipes as a bonus Kirkus Reviews Hannah Swensen already has her hands full running Minnesota s most popular bakery But

when Ron LaSalle the delivery man from the nearby Cozy Cow Dairy is found murdered behind the bakery with Hannah's famous Chocolate Chip Crunchies scattered around him life couldn't get more complicated Who would have the audacity and motive to kill the most punctual delivery man Hannah has ever had the pleasure of working with This is one murder that's starting to leave a very bad taste in Hannah's mouth And if she doesn't watch her back her life could be burned to a crisp What readers are saying about Chocolate Chip Cookie Murder This book was a complete delight from start to finish You cannot miss this Hannah is a very likable heroine I was hooked on the plot from the very beginning Diary in America, Series One Captain Marryat, 2020-08-05 Reproduction of the original Diary in America Series One by Captain Marryat

Field & Stream, 1977-02 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Carolina Bays** David Terry, 2006-10 Carolina Bays is an action mystery adventure in which Rick Parker a freelance investigator gets caught up into an investigation that he is not sure how to solve His persistence in the truth leads him from one mystery to another while endangering his family and friends Although Carolina Bays is fictional the author uses real places and events to justify the plot The mysteries of the more than 500 000 bays scattered across the Mid Atlantic states have been documented and studied for centuries The author David C Terry was born in Jacksonville North Carolina where he lived until attending college in South Carolina After graduation he served four years in the United States Coast Guard He is married to Charlene and lives in Jacksonville NC They have one daughter Kimberley and three sons Brian Christian and Mark Carolina Bays is the third book written by the author His other books are The Vortex A Gift From Afar David C Terry **Mystery Unveiled** Paul C.H. Lim, 2012-09-27 Paul C H Lim offers an insightful examination of the polemical debates about the doctrine of the Trinity in seventeenth century England showing that this philosophical and theological re-configuration significantly impacted the politics of religion in the early modern period Through analysis of these heated polemics Lim shows how Trinitarian God Talk became untenable in many ecclesiastical and philosophical circles which led to the emergence of Unitarianism He also demonstrates that those who continued to embrace Trinitarian doctrine articulated their piety and theological perspectives in an increasingly secularized culture of discourse Drawing on both unexplored manuscripts and well known treatises of Continental and English provenance he unearths the complex layers of the polemic from biblical exegesis to reception history of patristic authorities from popular religious radicalism during the Civil War to Puritan spirituality from Continental Socinians to English anti trinitarians who avowed their relative independent theological identity from the notion of the Platonic captivity of primitive Christianity to that of Plato as Moses Atticus Among this book's surprising conclusions are the findings that Anti Trinitarian sentiment arose from a Puritan ambience in which Biblical literalism overcame rationalistic presuppositions and that theology and philosophy were not as unconnected during this period as previously thought Mystery Unveiled will fill a significant lacuna in early modern English intellectual history
