She's been thinking about suicide for a while when she discovers a website called MementoMori.com. The site matches people with partners and assigns them a date on which to end their lives together. Mehreen is partnered with Cara and Olivia, strangers dealing with their own struggles. But as the girls get to know one another in preparation for their date of termination, they find themselves developing a strong bond, even becoming friends. The Things We Never Said Susan Elliot Wright, 2013-05-23 From the acclaimed author of *The Flight of Cornelia Blackwood*, everyone can change their life. But what happens when it hides a secret that changes everything? In 1964, Maggie wakes to find herself in a mental asylum with no idea who she is or how she got there. Remnants of memories swirl in her mind: a familiar song, a storm, a moment of violence. Slowly, she begins to piece together the past and the events which brought her to this point. In the present day, Jonathan is grieving after the loss of his father. A cold, distant man, he was not easy to love, but at least while he lived, there was hope for reconciliation. Then a detective turns up on Jonathan's doorstep to question him about crimes he believes Jonathan's father may have committed long ago. As the two stories interweave, the devastating truth long kept hidden must emerge, and both Maggie and Jonathan are forced to come to terms with the consequences of the shocking and tragic events of over forty years ago. Passionate, intriguing, and beautifully written, it deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented new voice.
