The Street Party Claire Seeber, 2021-06-08 The party was supposed to be the highlight of the summer If only I'd known that night would destroy our lives All the neighbours were laughing drinking out of plastic glasses and getting along I almost felt happy Almost forgot about the terrible argument earlier and the sinister messages I'd been receiving from a strange address all week threatening to expose the lies behind my perfect life As we finished with the red and gold fireworks and welcomed everyone back to our house I believed that everything would be okay But I didn't know who I was inviting in I never could have imagined what would happen here in our home after I'd gone up to bed Everyone saw something different It's my daughter's word against the story the boy from down the road is telling But how can I find out what really happened that night without everyone finding out the truth about me An absolutely gripping story of the secrets you would do anything to keep hidden with a twist you just won't see coming Perfect for fans of Gone Girl Big Little Lies and The Girl on the Train Readers are gripped by Claire Seeber It was so good I have been hiding in the toilet at work reading this on my phone as I needed to find out what happened Super twisty A real page turner I loved it Goodreads reviewer I was so hooked I felt like I was watching a movie instead of reading a book Loved the twists and turns Beyond 5
