[Alien Abduction in the Cinema](#) Paul Meehan,2023-08-03 The alien abduction phenomenon is one of the enduring enigmas of our time While the reality of alien abductions is a hotly debated topic among UFO researchers scientists skeptics and true believers alike the phenomenon indisputably exists as an artifact of popular culture This book analyzes more than 75 films that draw their inspiration from allegedly fact based accounts of alien contact from 1951 s The Man from Planet X to Contactee in 2021 These films are examined in terms of both their cinematic qualities and their exploration of thematic elements derived from abduction reports Abduction motifs that appear in science fiction classics such as The Day the Earth Stood Still 2001 and

Close Encounters are analyzed as well as those in lesser known films like *The Stranger Within*, *Starship Invasions*, *Dark Skies* and *Proximity*. Special attention is given to movies based on the famed experiences of abductees Betty and Barney Hill, Whitley Strieber and Travis Walton. The book also addresses skeptical theories about the origins of the phenomenon in science fiction and examines an uncanny prescience that appears to anticipate these inexplicable occurrences.

Our world is different from anything we've ever known. Years ago, aliens came to live among us. They claim to be the good guys, and yet every day humans go missing, never to be heard from again. Sian and her family resist the leadership of the new regime, along with dozens of other factions across the world. However, without electricity, they're at a loss as to how to communicate with each other, to band together for strength in numbers. For that reason, they fight alone. When her father and best friend are captured by the military, she pretends to be a pleasure worker to infiltrate the base. Unbeknownst to her, a pleasure worker has been summoned to service a new breed of alien, one with a known weakness. Sex drains his strength. None of the militia realizes that when a Nisibian comes across his mate, he doesn't lose his power but instead transfers it to her. Drunk on the power of being a female Rambo, Sian decides to steal the massive alien male for herself. This much power at her fingertips could tip the scales in the resistance fight for humans. But the alien has another plan.
