LifeRules Frank Fernino, 2014-06-19 Rules We live by them Hundreds of rules We were told some of them by our parents Don't touch the stove Say Thank you when someone gives you something Wash your hands before you eat Some rules we learn by ourselves I get crabby if I don't eat I get punished when I bite my sister It is easier to get what I want if I am quiet and polite But there are some rules that never occur us And if we were to learn and follow them our lives would be better We might have a better understanding of the world or we might have an easier time of things That is what this blog is all about To bring to your attention things that you might not have understood about yourself your behavior or your world Come along and I'll tell you some of the things that I've learned **The Publishers Weekly**, 2003
