Vermarktungsstrategien für Digitale Medien Sibylle Kunz, Gabriele Schuster, 2025-11-16 In der digitalen Informationsflut Sichtbarkeit zu erlangen ist eine immense Herausforderung Dieses Buch zeigt wie digitale Medienformate erfolgreich vermarktet werden können fundiert praxisnah und zukunftsorientiert Die Beitragenden geben in diesem Werk mit ihrer Expertise Einblicke in Mechanismen und Werkzeuge von Marketingstrategien die sich auf digitale Medien anwenden lassen Ob BookTok Streaming Mobile Games oder Voice SEO das Buch beleuchtet vielfältige Formate Bereiche und Kanäle zeigt Best Practices auf und reflektiert ethische wie rechtliche Rahmenbedingungen The Journal of Ink & Ardor Potter Gift, 2025-02-04 Record your fantastical reading adventures with this charming prompted romantasy journal from your favorite dragon rider's abilities to the most swoon worthy quotes Fantasy romance aka romantasy is the wildly popular subgenre of fantasy that has strong romance elements and subplots New to romantasy The Journal of Ink Ardor defines common bookish terms guides you through each entry and sets you off on the perfect journey through the genre An introduction to all things romantasy The Journal of Ink Ardor is a must have for readers with Journaling spreads to rate and review books and record swoon worthy quotes Questions to answer for every read from What's your most unpopular opinion on this book to If you could ask the author one question what would it be Space for pasting in your favorite fan art or adding your own sketches Guided activities for writing short epic love stories casting movie adaptations based on your favorite reads and more An expansive recommended reading list so you'll always know what to read next With a sturdy hardcover a handy ribbon marker and a beautiful cover design that will fit in with any bookshelf The Journal of Ink Ardor will let you fall in love with your favorite stories and characters again and again The Digital Future of English Simone Murray, 2025-07-18 More than any other academic discipline literary studies is the creation of print culture How then can it thrive in the digital era Early 1990s predictions of the book's imminent demise presented a simplistic either/or choice between the legacy of moribund print and triumphalist digital technology Yet we have grown to experience the two media as complexly interdependent and even complementary Clearly digital does not kill print But literary studies in the digital era cannot simply resume business as usual It is urgently necessary to reconsider the discipline's founding assumptions in light of digital technology The digital era prompts a rethinking of literary studies object of study as well as its methods theories audiences and pedagogical practices What counts as literature necessarily shifts in an age of proliferating born digital texts and do it yourself DIY online publication Where should literary studies sit institutionally and how might it graft contextually oriented social sciences methods onto its traditionally humanistic mode of textual analysis Why should literary study continue to marginalize emotional responses to texts when online communities bond via readerly affect Who is the audience for literary criticism in an age where expertise is routinely challenged yet communication with global book-loving publics has never been technologically easier Finally how can we utilize digital tools to rejuvenate literary studies pedagogy and help English staff

better connect with millennial age students Literary studies has been convulsed for decades by debates over electronic literature and more recently digitally aided distant reading But these discussions still mostly confine themselves to demarcating our proper object of study We need to think more expansively about digital technology s impact on the underpinning tenets of the discipline Literary Media Studies is pitched at fellow literary scholars book historians media theorists cultural sociologists digital humanists and those working at the interface of these converging disciplines It models constructive engagement with contemporary digital culture Most importantly it brings a burst of sorely needed optimism to the question of literary studies digital future
