Blood Surge: A Vampiric Urban Fantasy Novel Dianna Hardy, 2025-08-28 A beautiful library in a historic sleepy town in Hampshire is the perfect place for Sophia to settle away from a fraught childhood and forgotten past So forgotten she hadn t thought about it in over two decades until an old unpleasant lover borrows a book and an innocent chat over coffee stirs long buried emotions And once those gates open they re not so easily shut the crazy keeps on coming in the form of a dead woman a ridiculously gorgeous and frustrating man who keeps turning up around every corner and a party at a stately home that s to die for

Literally Sophia's forgotten history is going to have to be remembered in a race against time if she wants to save her own life. Unfortunately, Sophia's discovering her life isn't what she thought it was at all. In fact, her life might not even be hers but indebted to a twisted dark world made up of ancient vows and blood ties ones she can feel surging through her veins. This is a passionate vampiric urban fantasy from British author Dianna Hardy set in a quaint English town in Hampshire. **Revenge Is Sweet, Kali Sweet Urban Fantasy Series, Book 1** Misty Evans, 2021-10-13 Payback is a bitch and her name is Kali Sweet. I'm Kali Sweet, vengeance demon, supernatural enforcer, and walking HR violation for the Justice Department of the Otherworld. My job: Protect innocent humans from the monsters who walk among them. Creatures like me. I don't get to take revenge for myself, but I am damn good at serving it to others. So when my latest run-in with Chicago's vampire king goes sideways, I'm stuck cleaning up the blood-soaked mess. Again. Only this time it comes with consequences: an undead enemy who wants my head on a pike, my boss breathing fire down my neck, and three blood slaves who could blow my whole operation wide open. One of them: Radison Beaumont. Half-human, half-chaos demon, full-time rock god, and my ex-fiancé. The same one who left me at the altar three hundred years ago. Now he needs my blood to survive. I need him out of my life. Too bad he just joined a secret society of demon hunters. And guess who's at the top of their kill list? If you like your urban fantasy with teeth, heat, and a heroine who takes zero crap, click now to read the Kali Sweet series today. [Blood Falls: An Epic Urban Fantasy](#) Anna McCluskey, 2025-08-19 Enjoy this epic urban fantasy series starter with cryptids and an unusual magic system by fantasy author Anna McCluskey. Between strange cryptids, forgotten artifacts, and dangerous magics, a Warrior Mage Librarian's work is never done. Trevor and Sister Margaret might seem like an odd pairing. He's a mild-mannered historian with a wry sense of humor, and she curses like a sailor and carries an arsenal of weapons everywhere she goes. But they're fast becoming one of the Vatican's best teams of Warrior Mage Librarians: mages who travel between remote secret libraries, defending them from accidentally summoned demons, mages with ill intent, and other threats. Then cryptids suddenly reveal their existence to the human mage world, and everything changes. Sister Margaret and Trevor are sent as emissaries to the annual summit of the Cryptid Collective, where they find that not all cryptids want mages around. And some of them want to wipe humanity from the earth altogether. Will Trevor and Sister Margaret be able to root out the enemies of humanity? Or will the world be plunged into a war like nothing it's ever seen before? Find out in Book 1 of this epic urban fantasy series. [Blood Falls](#) is the first installment of the epic urban fantasy series [Warrior Mage Librarians](#). Great for readers who love fantasy books that get a little dark and have diverse casts, including queer, neurodivergent, and BIPOC characters, plus a good dose of action, humor, and intrigue. If you enjoy books by Jessica Cage, Devin Hanson, Shannon Mayer, Angela Wallace, and Alistair Rennie, you'll love this series. [The Fates \(witch urban fantasy\)](#) David Neth, Everything happens for a reason. The Fates pay Samantha and Kathy a visit when the sisters misstep, which left a man the target of a vampire bite, leading to unimaginable consequences in the future. Unconvinced of the effects of one bite, the sisters travel forward to the future where

at first everything seems perfectly normal until nightfall when the world seems to plunge into dystopia Soon the sisters find themselves on the run from a vampiric empire taking over the city and possibly even the country as they uncover terrible truths about their future With their efforts to return to their time having failed the sisters fear that they may be stuck in the horrific future that they ve inadvertently created The Fates is the fourteenth and final book in the Coven series which is part of the Art of Magic universe containing the Lost By Magic and the Under the Moon series *Human (witch urban fantasy)* David Neth, Beware the enemy who hides in plain sight Samantha and Kathy head to Shady Acres owned by the Fisher family for a weekend getaway in the mountains As soon as they get there both of them have an uneasy feeling about their hosts But their cabin is located deep in the woods far away from the Fisher house so they decide to make the best of their weekend And they do have a good time until the Fishers chase them out of their cabin and into the woods in the middle of the night It doesn t take long before the sisters realize they re being hunted like animals for sport They quickly discover that they re not the first ones this has happened to And the worst part The Fishers are completely human Human is the thirteenth book in the Coven series which is part of the Art of Magic universe containing the Lost By Magic and the Under the Moon series *Kali Sweet Urban Fantasy Series Special Collection* Misty Evans,2021-10-18 Vampires shifters demons not to mention a few fallen angels and a goddess the best selling Kali Sweet urban fantasy series is now available as a special collection Don t miss the first three full length action packed novels that will keep you turning the pages and to see if Kali can save the world and her love life or will set everyone and everything straight to hell Revenge Is Sweet Book 1 Payback is a bitch and her name is Kali Sweet I m Kali Sweet the best damn vengeance demon on earth I work for the supernatural world s Justice Department and protect innocent humans from otherworldly creatures like me While I can t take revenge for myself I make sure justice is done for others But when my latest run in with Chicago s vampire king backfires the fallout leaves me with three big problems a powerful Undead enemy who wants my head my boss looking over my shoulder and three personal blood slaves jeopardizing my reputation Sweet Chaos Book 2 The past always finds a way to bite you in the ass As a three hundred year old vengeance demon I ve made a lot of enemies Two of them are back and together they re bringing a war to Chicago that will topple the carefully constructed world I ve protected for centuries But I m Kali Sweet I never run from my past and I m not about to hide from my present Sweet Soldier Book 3 Life is one battle after another Armageddon is coming and it s up to me to stop the Four Horsemen and their heavenly army of angels The only way I can stop them and the coming biblical apocalypse is to recruit an army an army led by the king of hell Lucifer s not about to help without getting something in return and following anyone s orders even his is not my style But what price will I pay for dealing with the devil Going to the dark side has never been so sweet *Blue-Green Rehabilitation* Philip Hayward,2025-06-30 In recent decades there has been a burgeoning interest in the development of blue green corridors areas where waterways are complemented by adjoining green spaces and related paths and leisure facilities Urban planners have increasingly favoured such zones as a

means of refreshing inner city spaces In many cases such projects have involved the rehabilitation of former industrial and or otherwise polluted waterways and adjacent land These newly configured blue green spaces have benefitted residents and provided a substantial attraction to tourists through in and on the water options e g swimming kayaking fishing cruise boat transit etc waterside relaxation and a range of riverbank activities The establishment of managed green spaces has also seen the return of a variety of native species to such areas and the re presentation of former waterside industrial features as heritage artefacts has also added value and appeal to such corridors The anthology comprises nine international case studies that illustrate examples of best practice and or the problems that can arise from such rehabilitations such as gentrification forcing housing prices up and dispersing established communities and de industrialisation that leads to reduced livelihood opportunities Individual studies in the volume analyse the dynamics of neglect and rehabilitation contrasting stakeholder agendas destination branding and regional national orientations Collectively the volume comprises an important reference point for future blue green rehabilitation projects and the conclusion offers an agenda for the development of just and sustainable blue green initiatives
