Writing Simple Poems Vicki L. Holmes, Margaret R. Moulton, 2001-07-16 *Writing Simple Poems* is a resource book that shows teachers how to use poetry writing to teach grammar and writing conventions. Appropriate for any age or fluency level, the book can be used by ESL, foreign language, or bilingual teachers as an adjunct to their writing program. Regular classroom teachers will find it useful for language arts. The first part of the book focuses on methodology and offers suggestions for ways to integrate poetry writing with the curriculum. The second part of the book contains twenty-five easy-to-follow lesson plans, each with poetry models and sample poems written by students of various ages and linguistic backgrounds. The third part of the book offers an index of teaching points and a glossary of grammar terms.

My Mind-Boggling Poems Sandra Nixdorf, 2024-01-08 From the whimsical mind of eleven-year-old poet Sandra Nixdorf comes a colourful collection of poems that will delight children and parents both. *My Mind Boggling Poems* contains over fifty creative, fun, and hilarious poems and is brimming with vibrant illustrations, all drawn by the author. Wacky animals, goofy aliens, delicious food, and more are brought to life by Sandra's imagination in wonderfully playful language. The collection also demonstrates more than ten kinds of poems, from alliteration poems to limericks to haiku, and beyond, helping kids learn about different types of poetry and inspiring them to write their own. *My Mind Boggling Poems* is a perfect read-along book for adults with young children and for reading-age children and pre-teens to enjoy on their own. Help young minds have fun and discover a love of poetry with *My Mind Boggling Poems*.

Poetry Goes to School Bob Barton, David Booth, 2003 Learn how to create a culture of poetry that demonstrates the power of words and strengthens the language lives of children. *Poetry Goes to School* is a comprehensive resource for teachers who want to fill their classrooms with poetry. The authors have expanded the territory covered in their previous book *Mother Goose Goes to School*. In this rich collection, they have gathered and classified a remarkable collection of poetry and teaching strategies into a meaningful, manageable program. The book is organized around eight inviting units: patterns, word play, nursery rhymes, ceremonies, images, voices, stories, and information. Each unit contains a description of the genre, inviting lessons, and tools for using them in classrooms; sample poems to motivate language discussion; ideas for exploring all forms of poetry with children. Teachers can select from the wide range of response activities that will involve the children in reading, writing, role playing, and the arts. Assessment techniques for supporting the poetry program complement this inviting resource.
