

Where Do You Go To My Lovely - Peter Sarstedt

Intro: [C] [Em] [F] [G]

[1]

You [C] talk like Marlene [Em] Dietrich

And you [F] dance like Zizi Jean [G] Maire

Your [C] clothes are all made by [Em] Balmain

And there's [F] diamonds and pearls in your [G] hair [G7] [Em7] [G]

You [C] live in a fancy [Em] apartment on the [F] boulevard St Mi[G]chel

Where you [C] keep your Rolling Stones [Em] records

And a [F] friend of Sacha Dis[G]tel [G7] [Em7] [G]

Chorus:

But [C] where do you go to my [Em] lovely

[F] When you're alone in your [G] bed?

[C] Tell me the thoughts that sur[Em]round you

I [F] want to look inside your [G] head [G7] [Em7] [G]

[2]

When you [C] go on your summer va[Em]cation you [F] go to Juan-les [G] Pins

With your [C] carefully designed topless [Em] swimsuit

You [F] get an even sun[G] tan, on your [G7] back, and on your [Em7] legs [G]

When [C] the snow falls you're found in St [Em] Moritz

With the [F] others of the jet [G] set

And you [C] sip your Napoleon [Em] brandy

But you [F] never get your lips [G] wet [G7] [Em7] [G]

Repeat chorus:

[3]

Your [C] name it is heard in high [Em] places, you [F] know the Aga [G] Khan

He [C] sent you a racehorse for [Em] Christmas

And you [F] keep it just for [G] fun, for a [G7] laugh, a-ha-ha [Em7] ha [G]

They [C] say that when you get [Em] married, it will [Dm] be to a million[G]aire

But they [C] don't realise where you [Em] came from

I [Dm] wonder if they [Dm] really [G] care or give a damn, Oh

Repeat chorus:

[4]

I re[C]member the back [Em] streets of Naples,

Two [F] children begging in [G] rags

Both [C] touched with a burning am[Em]bition

To [F] shake off off their lowly born [G] tags, yes they [G7] try [Em7] [G]

So [C] look into my face Marie [Em] Claire

And [F] remember just who you [G] are

Then [C] go and forget me for[Em]ever but I [F] know you still bear the [G] scar

Deep [G7] inside, yes you [Em7] do [G]

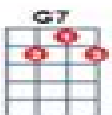

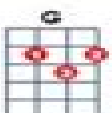

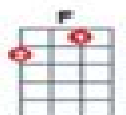

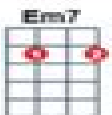

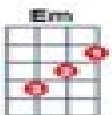

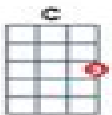

[5]

I [C] know where you go to my [Em] lovely

[F] When you're alone in your [G] bed

[C] I know the thoughts that sur[Em]round you

'Cos [F] I can look inside your [C] head

Alphabetical Orders Where Do You Go To My Lovely:

The Third Spiritual Alphabet Francisco de Osuna OFM, 2016-05-15 For the first time in 35 years here is a complete analytical and comparative study of the only two English translations of this marvelous work This particular effort makes references back to our copy of the Spanish text for clarity More importantly this effort is coordinated with Teresa of Avila's works Thus an additional 400 notes in combination with comparatives between the variant references are supplied This work has been translated by the sisters of Stanbrook Francisco de Osuna draws on the ancient doctrine of the spiritual senses to describe the psychological experience that takes place as spiritual attentiveness is gradually deepening He takes up the traditional analogies of the darkness of blindness the silence in deafness the passivity in dumbness to draw out the ways that the prayer of recollection belongs to the apophatic way of contemplating the divine He connects and places his reflections in the context of the gospel beatitudes the vision of humanity described by Jesus Christ *The Chromolithograph*, 1867 *My Beautiful Dangerous* Laila Amlani, 2022-02-15 This book is amazing I was hooked until the end Jade West USA Today Bestselling Author An expertly woven tale of dark romance tragedy suspense and humor Jude McLean Author Every sin comes with a price I ran away when I was a kid Before my family could break me Back when I thought I could still be saved Now I lie to everyone about who I am I lie to myself about the things I've done My new identity protects me But my secrets demand a lonely life No man is worth the risk Until Chase Hale He makes me forget that I'm unwanted He makes me forget what I deserve He makes me vulnerable He makes me weak And that's what makes him Dangerous But when he starts making me believe I might be worth saving that could be the most Dangerous of all Because every sin comes with a price and when my family comes to collect there will be nothing in this world left to save me Warning Contains dark themes adult language and explicit sex Recommended for 18 and for those not triggered or offended by the above Please review trigger warnings From the Author *My Beautiful Dangerous* is a complete stand alone about one woman's road to redemption and a love to heal even the most broken soul It includes family trauma spicy romance humor plot twists and a strong and sarcastic female lead I hope you enjoy it If you do a hug in the form of a review is always appreciated **Don't Go** Beverley Bateman, 2014-10-18 Washoe County Sheriff's Office Detective and a member of Crimes Against Children Samantha Brennan is a dedicated to finding pedophiles who stalk their teenage victims online Raped as a child Sam has always blamed her parents for not protecting her Even with counseling she's been unable to move past her experience The emotional scars have left her hating to be physically touched by anyone It's also prevented her from forming any relationships with men until now She's a strong dedicated detective whose specialty is the internet chatrooms and stopping young girls from becoming potential rape victims She works to prevent them from going through the same trauma she's still struggling with Reno Police Department Lieutenant Devlin O'Reilly is a loose canon who works alone Devlin is a renegade cop who prefers to work undercover and catch bad guys A gun in the perp's mouth gives him a real rush For several years previously he worked in the

missing children division but his attitude irritated parents and he also burned out because they seldom found the children alive Off duty he likes to drink and pick up surgically enhanced brainless bimbos so he s always in control A relationship to him is a long weekend This cavalier attitude toward women results from a bad marriage when he first became a cop The woman lied and said she was pregnant After the marriage she said she lost the baby When she realized that a cop didn t make that much money she cheated on Devlin sometimes with other cops in his division This embarrassed him in front of his peers When she found a sugar daddy she walked out on him Devlin blames himself for his marriage failure and has vowed never to let any woman do that to him again He wants respect from his buddies and recognition for the work he does and the perps he takes off the street But what he doesn t realize is his cavalier work alone attitude works against this It prevents him from advancing his career Forced to work together when a fourteen year old girl leaves home to meet a boy from a chatroom Sam and Devlin have to overcome many of their personal feelings They both know that the girl is not going to find a peer who understands her but a man who will terrorize and rape her As Sam and Devlin gather information sift and sort through it they come to the realization that this is not the first time this pedophile has lured a young girl to meet him Devlin pulls statistics from five years back The information indicates a pattern that shows the internet pedophile has been doing this for several years and in different locations He finds his victims online meets them and disposes of them They never return home and bodies are never found It s looking like he might not be just a pedophile but a serial killer Sam and Devlin work to figure out how to outsmart a pedophile and possible serial killer but he s always one step ahead of them They work his profile to try and catch him before he finds rapes and kills his next victim Devlin hasn t has time to take a drink since the case started and his skills are becoming sharper so is his interest in Sam He finds he is working well with her She works hard and shares information easily Plus she s very sexy and becoming more approachable Sam is learning to trust Devlin She s becoming more comfortable with being touched She s also more open to other people and physical contact Sam wonders if the professional relationship with Devlin might become something more after the case is over They follow the killers trail to Sacramento and work with the local police Just when they think they have the pedophile it turns out the killer has set up another man to take the fall He s still one step ahead of them and there s another girl in danger Will they catch him in time Is there a future for Sam and Dev
