Blessing Same-Sex Unions Mark D. Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches

will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these Blessing Same Sex Unions will be a must read for both sides of the debate over gay marriage in America today *The Essential Guide to Gay and Lesbian Weddings* Tess Ayers,Paul Brown,2012-05-08 This updated edition to the classic planner is a chatty humorous compendium of traditions advice and wedding details geared for same sex couples Publishers Weekly Wedding planning is never easy but for gay and lesbian couples it presents unique challenges On top of watching the budget and wrangling your family you may be wondering How should we word the invitations Who can perform the ceremony What should we say to those who ask why This trusty guide first published when legal same sex marriage was just a dream tackles all that and more Here are tips on finding the perfect venue vows outfits cake kit and caboodle as well as Creative workarounds Have you considered a home wedding Budget friendly shortcuts Supplement the tiered cake with a sheet cake The latest trends How to buck the traditions that don t work for you And sage wisdom with a wink Rule 1 If you invite them they may come If you d rather stay crazy about each other than go crazy The Essential Guide to Gay and Lesbian Weddings filled with witty wise and practical advice is for you Library Journal All you need is love and this book to have a great wedding Melissa Etheridge musician and LGBT activist *The Wedding Sourcebook* Madeline Barillo,1999-11 The Wedding Sourcebook will guide you through the overwhelming array of choices as you make preparations for one of the most important days of your life From the engagement to the honeymoon there are checklists for the bride and the groom a guide to proper etiquette and a list of resources for more information Altogether they make The Wedding Sourcebook an essential part of creating a wedding day that will be special unique and memorable *Bride's Guide to Freebies* Sharon Naylor,2012-12-04 With the average cost of weddings today at over 20 000 it s no wonder that today s savvy budget conscious brides are looking for deals to get the wedding of their dreams at a fraction of the cost But in today s world where extreme couponing and the number of wedding sweepstakes competitions is on the rise for the modern bride discounts and bargains are simply not enough For these brides only free will do Enter The Bride s Guide to Freebies the book that shares insider secrets on how to potentially get thousands of dollars worth of merchandise and products for your wedding for free No this is not a book of suggested bargains and discounts Rather this book provides freebie finding strategies on everything from the dress to the food to the entertainment information on what to say and not say to score lots of swag and how to foster positive relationships with vendors that result in spectacular add ins And each and every tip and strategy featured in the book is designed to give the budget conscious bride the ultimate payoff lots of wedding goods and extras for absolutely zero money *The Jgirl's Guide* Penina Villenchik Adelman,Ali Feldman,Shulamit Reinharz,2005 The JGirls Guide is an inspirational interactive book designed to help pre teen
