

The background of the book cover is a dramatic landscape. The upper half shows a dark, stormy sky with heavy, grey clouds. A bright, white, horizontal band of light cuts across the middle of the image, separating the sky from the foreground. Below this band, the foreground is a dark, brownish-black surface, possibly water or a wet ground, covered with numerous concentric ripples that suggest rain has just fallen. The overall mood is somber and contemplative.

Albino Barrera, Roy C. Amore

Altruism In World Religions:

Altruism in World Religions Suzanne Neusner, Bruce Chilton, 2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one's own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In *Altruism in World Religions* prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman *philia* to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied

The Practice of Altruism International Association for the History of Religions. Congress, 2006 The study of altruism and altruistic behavior has caught the attention of social scientists especially in recent years What motivates individuals to cultivate attitudes and actions that promote the wellbeing of others at the expense of or at the risk of negative consequences for their own In our contemporary global society marked by conflict and violence among different sectors of the population in various regions of the world and wherein religion can be a factor that exacerbates such conflict and violence harnessing the power of religion towards directions of reconciliation creativity and altruistic action remains a crucial task for humankind This volume addresses a question especially relevant in our day do people who profess religious commitment or affiliation in a particular religious community tend to nurture altruistic kinds of attitude and action more than others Social scientists present results of their empirical studies on Japanese society as well as on North American European Indian and Thai societies to focus on this issue and offer insightful reflections on the relationship between religion and society

Altruism in Cross-Cultural Perspective Douglas A. Vakoch, 2013-05-16

Altruism in Cross Cultural Perspective provides such a scholarly overview examining the intersection of culture and such topics as evolutionary accounts of altruism and the importance of altruism in ritual and religion. The past decade has seen a proliferation of research on altruism made possible in part by significant funding from organizations such as the John Templeton Foundation. While significant research has been conducted on biological, social, and individual dimensions of altruism, there has been no attempt to provide an overview of the ways that altruistic behavior and attitudes vary across cultures. The book addresses the methodological challenges of researching altruism across cultures as well as the ways that altruism is manifest in difficult circumstances. A particular strength of the book is its attention to multiple disciplinary approaches to understanding altruism, with contributors from fields including psychology, anthropology, sociology, biology, communication, philosophy, religious studies, gender studies, and bioethics.

Altruism In World Religions: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Altruism In World Religions : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
