Always Time For Love English Edition:

Always (Time for Love, Book 4) Miranda P. Charles, For Brenna Ward fulfilling the New Year's resolution she made with her best friends to make time for love this year is proving difficult. The problem isn't finding a date; it's the falling in love bit until she discovers that her best friend's brother has feelings for her. Ash Payne has tried for years to make Brenna notice him to no avail. Now that Brenna's dating another new guy, he's finally forced himself to accept that she'll never feel the same way about him. So he takes steps to ensure that he moves on from her for real this time. When Brenna sneaks her way into Ash's every day life by working in his clinic as a part-time receptionist, the chance to explore what they could have together presents itself. But with complications from a past relationship muddying the waters, can Brenna convince Ash that her intentions go beyond merely feeling sorry for him? And after years of unrequited love, can Ash allow himself to hope again? Each book in the Time for Love series is a strong stand-alone novel that would give you enjoyment on its own. To fully enjoy the series, however, the author recommends reading them in order: Book 1: Forever Rebecca Andrews and Zach Carmichael; Book 2: Finally Sarah Daley and Jeff Carmichael; Book 3: Again Amanda Payne and Connor Reid; Book 4: Always Brenna Ward and Ash Payne; Book 5: At Last Gemma Aldwyn and Greg Carmichael.

I Can't Fall In Love (English Edition) Renée Conte, 2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person, and if it hadn't been for that incomplete message she had sent him by mistake, they probably wouldn't have met again. The two young people had met when they were still children during their summer holidays on the beach at Follonica. A sincere and innocent friendship was immediately born between them, which grew stronger every summer until, as teenagers, they realized that that friendship had turned into a tender infatuation, especially on Andrea's part. But their beautiful friendship did not continue due to the break-off of the engagement between Beatrice's mother and her partner, who no longer allowed her to return to Follonica. Although Beatrice and Andrea both lived in Milan, they never had the chance to meet. During the year Andrea he used to study in Switzerland, in the summer he spent his holidays in Follonica. Then, once he graduated from high school, he moved to New York to continue his studies, a distance that is difficult to bridge. Then even their phone calls, which were frequent at first, became increasingly rare over time until they stopped altogether. Therefore, that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory. At the age of 19 and having put aside her crush on Andrea, unlike her peers, Beatrice still didn't have a boyfriend and was not interested in having one. She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others. She had goals to achieve: before she could fall in love, first of all her studies, then her career, and last but not least her independence. Beatrice knew the pain her mother had suffered for always putting love first. She didn't want to make the same mistake. But in love, there are no rules; it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it, that absorbs your body and soul, that makes you do stupid things, even and you cannot love or not love.

on command to avoid them Despite her stubbornness Beatrice's intentions are shattered when after receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice's lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment that things really start to get complicated

Again (Time for Love, Book 3) Miranda P. Charles, After being dumped for glamorous women by past boyfriends Amanda Payne is convinced she just doesn't have it So when she stumbles upon a hunky Connor Reid at a party she is forced to crash she is more surprised than anyone when he ends up in her hotel room that night But that fantastic experience turns into a hurtful situation the very next day After years of travelling for his job Connor Reid is staying put in one place to start his own business and hopefully find a special someone When women he's never met before crash his work farewell party a quiet Amanda stands out for him But Amanda's actions the day after indicates she might not be different from her player friends When their paths cross again not only are they surprised to discover that they have mutual friends but that they also live in the same beachside suburb Equally shocking is the fact that their attraction for each other is still unbelievably strong But do they have a future together when Amanda thinks Connor is just playing a game And could Connor convince Amanda that he is not the kind of man she thinks he is Again is a steamy and sexy novel that can be read as a stand alone But to fully enjoy the Time for Love series the author recommends reading them in order Book 1 Forever Rebecca Andrews and Zachary Carmichael Book 2 Finally Sarah Daley and Jeffrey Carmichael Book 3 Again Amanda Payne and Connor Reid Book 4 Always Brenna Ward and Ash Payne Book 5 At Last Gemma Aldwyn and Greg Carmichael
