Montalvo ,2022-09-23 Introduction My name is Thomas Edward Daniels My associates call me Professor Daniels and my friends simply call me Tom I am a fictional character created by the author I teach history at an upscale university somewhere in North Carolina I am married to the most beautiful woman on planet earth Her name is Sara Daniels We have been married for over twenty years although to me it feels more like a century And I m sure she agrees with me We live in a beautiful two story Victorian style house built in 1922 with our beautiful blessed daughter Sofia Our blessing is now nine years old and a handful Our little Sofi as we call her is a passionate fan of ice cream If ice cream was a meal it would be her choice for breakfast lunch and dinner My life was picture perfect a beautiful family a beautiful home filled with loveand joy The only thing missing was just a dog or cat But one day my entire world came crashing down My life changed drastically when my beautiful wife was diagnosed with a terminalillness I lost my job of twenty years and started drinking from sunrise to sundown to cope with all the pain and sorrow of this new reality I was scared broken and lost Having these feelings that I had never had to experience before truly broke my soul Did I mention I have a gift I can see the dead and they can see and communicate their thoughts and feelings to me You see when I was seven years old I discovered this unique and special gift for the very first

time The dead like to communicate and share with me how they died and in most cases who killed them or who or what took them away It is a curse to be able to have this gift as evil itself is present in many forms with maleficent intentions every single time I have worked as a paranormal investigator in the past to help families discover the truth about the passing of their loved ones I am about to share with you the last chapter of my journey in life or is it This is how it all started or perhaps how it ended The Unknown Supernatural Mystery Suspense **My Disappearing Mother** Suzanne Finnamore,2023-10-24

To come to terms with her mother s dementia writer Suzanne Finnamore s groundbreaking new memoir conceptualizes dementia as an actual albeit rather magical place like the Acropolis or Yonkers a place where beloved and ancient queens and kings retire where linear time doesn t exist and the rules of society are laid aside Whenever I go to my parents double wide in Hayward California I am really traveling to Dementia I love sfinnamore s new book My Disappearing Mother Annelamott on X My Disappearing Mother A Memoir of Magic and Loss is far more than a memoir on the devastation that comes with dementia a cognitive impairment that affects 55 million people worldwide Finnamore beautifully chronicles her mother s rich and varied life journey from her birth in Puerto Rico during the height of the Depression to ferrying to the United States in hopes of a better life On U S soil her mother Bunny started working as a performer for enlisted men then became a secretary and eventually a professional clairvoyant With unexpected humor Suzanne explores the feeling of love grief family and loss while celebrating the bonds between mothers and daughters In Suzanne s words I want a book that attests to the fact that in a world full of disease there is an abiding and supernatural force of love That because of this the sadness and the horror can be borne That laughter can live alongside grief That it must When Suzanne s guest essay Dementia Is a Place Where My Mother Lives It Is Not Who She Is was published in the New York Times on Mother s Day 2022 readers responded with an outpouring of empathy and love And so this book was born full of clues and guidance to help others feel less alone on the path that Finnamore has walked *Righteous Dopefiend* Philippe I.
