

A woman with blonde hair, wearing a white tank top and black leggings, is sitting in a meditative lotus position on a tall stack of books. She has her hands raised in a prayer position. The stack of books is composed of various colored spines, including pink, white, and blue. The background is a bright blue sky with soft white clouds. The title 'Am I Zen Yet?' is written in a playful, handwritten-style font. 'Am' and 'Yet?' are in black, while 'I' and 'Zen' are in pink. Below the title, the subtitle '...and other random thoughts' is written in a smaller, grey, sans-serif font. At the bottom, the author's name 'Dee Ernst' is written in a large, elegant, black cursive script.

Listening to a Continent Sing Donald Kroodsma, 2018-05-08 A birdsong expert's poignant and beautifully illustrated memoir of a bicycle journey across America with his son. Join birdsong expert Donald Kroodsma on a ten-week ten-state bicycle journey as he travels with his son from the Atlantic to the Pacific, listening to our continent sing as no one has before. On remote country roads over terrain vast and spectacular from dawn to dusk and sometimes through the night, you will gain a deep appreciation for the natural symphony of birdsong many of us take for granted. Come along and marvel at how expressive these creatures are as Kroodsma leads you west across nearly five thousand miles at a leisurely pace that enables a deep listen. **Listening to a Continent Sing** is also a guided tour through the history of a young nation and the geology of an ancient landscape and an invitation to set aside the bustle of everyday life to follow one's dreams. It is a celebration of flowers and trees, rocks and rivers, mountains and prairies, clouds and sky, headwinds and calm, and of local voices and the people you will meet along the way. It is also the story of a father and son deepening their bond as they travel the slow road together from coast to coast. Beautifully illustrated throughout with drawings of birds and scenes and featuring QR codes that link to audio birdsong, this poignant and insightful book takes you on a travel adventure unlike any other, accompanied on every leg of your journey by birdsong.

Tao Te Ching: A Perspective Swami Bodhidharma, 2021-02-28 There are only a few books ever written that speak the truth so simply yet so elegantly as *Tao Te Ching*. The wisdom of Lao Tzu is eternal but may sound lofty yet impractical as Lao Tzu himself says to the lay people. The author makes an effort to demystify the great wisdom and makes it an easy-to-understand practical guide for anyone willing to start their own spiritual journey. However, the author believes that spirituality shouldn't be something practiced by a select few seekers. His pragmatic approach to life will be understandable to anyone of any profession. As he says, there's nothing called supernatural. Everything within nature is natural. Whatever we do not understand, we just call it supernatural. Tao means The way. The book is an invitation to anyone
