Alliteration.

Snakes slither and make me shiver.

They squeeze too tight,

have a dangerous bite,

and sleep in winter, day ... and night.

If there's one thing I would NEVER do

it's keep a snake as a pet—would you?

Snakes aren't cosy like a kitty,

curled and furry-purry pretty.

Gender and the Poetics of Excess Karen Jackson Ford, 2011-02-25 The argument posed in this analysis is that the poetic excesses of several major female poets excesses that have been typically regarded as flaws in their work are strategies for escaping the inhibiting and sometimes inimical conventions too often imposed on women writers The forms of excess vary with each poet but by conceiving of poetic excess in relation to literary decorum this study establishes a shared motivation for such a strategy Literary decorum is one instrument a culture employs to constrain its writers Perhaps it is the most effective because it is the least definable The excesses discussed here like the criteria of decorum against which they are perceived cannot be itemized as an immutable set of traits Though decorum and excess shift over time and in different cultures their relationship to one another remains strikingly stable Thus nineteenth century standards for women s writing and late twentieth century standards bear almost no relation Emily Dickinson s do not anticipate Gertrude Stein s or Sylvia Plath s or Ntozake Shange s Yet the charges of indecorousness leveled at these women poets repeat a fixed set of abstract grievances Dickinson Stein Plath Jayne Cortez and Shange all engage in a poetics of excess as a means of rejecting the limitations and conventions of female writing that the larger culture imposes on them In resisting conventions for feminine writing these poets developed radical new poetries yet their work was typically criticized or dismissed as excessive Thus Dickinson's form is classified as hysterical and her figures tortured Stein's works are called repetitive and nonsensical Plath's tone is accused of being at once virulent and confessional Cortez's poems violent and vulgar Shange's work vengeful and self righteous The publishing history of these poets demonstrates both the opposition to such an aesthetic and the necessity for it
