NEVER ENOUGH

I'm trying to hold my breath Let it stay this way Can't let this moment end

You set off a dream with me Getting louder now Can you hear it echoing?

Take my hand Will you share this with me? 'Cause darling without you

All the shine of a thousand spotlights All the stars we steal from the night sky

Will never be enough Never be enough Towers of gold are still too little

These hands could hold the world but it'll Never be enough

Never be enough For me Never, never Never, never Never, for me

For me Never enough Never enough Never enough

For me For me For me

All the shine of a thousand spotlights All the stars we steal from the night sky

Will never be enough Never be enough Towers of gold are still too little

These hands could hold the world but it'll Never be enough

Never be enough For me Never, never Never, never Never, for me

For me Never enough Never, never Never enough Never, never Never enough

For me For me For me For me
