she's worked hard for. She also likes to have a little fun but when the hot bookish guy she brings home for a night turns out to be her brother's fiercest on-ice rival, all that work might be for nothing. Will Cross Lecroix is stuck in a city that hates him, doing a conditioning stint after an injury incurred during a fight, and a quick fling with a beautiful woman seems harmless enough. Not even twenty-four hours later he's in the media spotlight sporting a bruised jaw and being asked if the rumor he spent the night with Erik Burke's sister is true. Making a split-second decision meant to save her reputation with her conservative boss, Will announces he and Kristen have been dating. With her promotion potentially at risk, she has no choice but to play along, and the playing part isn't bad at all. The more time they spend together, the more the line between pretend and real blurs, but Will's return to his team looms over them. As the clock runs out on their fake romance, they have to decide if what they have is the real thing and if it's worth the price they'll pay. [A Second Shot](#) Shannon Stacey, 2018-12-14

Andi Morgan was the one who got away. The woman Erik Burke walked away from to focus on the game, but when their paths cross once again, all he wants for Christmas is the chance to take another shot at love. Previously published in the *Hockey Holidays* anthology. [No Way Out](#) Shannon Stacey, 2023-01-24

The Devlin Group, a privately owned rogue agency unhindered by red tape or jurisdiction, no matter the assignment, these agents don't hesitate to put their lives on the line, especially when it comes to love. When Connor O'Brien finds himself on a collision course with a stunning but lethal enemy, a challenging international assignment becomes an almost impossible mission. He's after a man who may be the key to stopping a terrorist attack, but only if the Devlin Group takes him alive. Zoya Volkova has one objective: silence her target before he can turn on her employer, and failure isn't an option. No matter how much the American agent intrigues her, she can't let him stand in her way because Zoya works for a very dangerous man, and she has a secret to protect. The stakes are too high. Two enemies risk becoming lovers as the threats escalate around them until there may be no way out.
