Alone Together How Marriage In America Is Changing

James F. Keenan

Alone Together How Marriage In America Is Changing:

Alone Together Paul R. Amato, 2007-01-15 Most observers agree that marriage in America has been changing Some think it is in decline that the growth of individualism has made it increasingly difficult to achieve satisfying and stable relationships Others believe that changes such as increasing gender equality have made marriage a better arrangement for men as well as women Based on two studies of marital quality in America twenty years apart this book takes a middle view showing that while the divorce rate has leveled off spouses are spending less time together people may be bowling alone these days but married couples are also eating alone Indeed the declining social capital of married couples including the fact that couples have fewer shared friends combined with the general erosion of community ties in American society has had pervasive negative effects on marital quality At the same time family income has increased decision making equality between husbands and wives is greater marital conflict and violence have declined and the norm of lifelong marriage enjoys greater support than ever The authors conclude that marriage is an adaptable institution and in accommodating the vast changes that have occurred in society over the recent past it has become a less cohesive yet less confining arrangement **Alone Together**

Paul R. Amato, Alan Booth, David R. Johnson, Stacy J. Rogers, 2009-06-30 Based on two studies of marital quality in America twenty years apart *Alone Together* shows that while the divorce rate has leveled off spouses are spending less time together The authors argue that marriage is an adaptable institution and in accommodating the changes that have occurred in society it has become a less cohesive yet less confining arrangement *Second Thoughts: Sociology Challenges*

Conventional Wisdom Janet M. Ruane, Karen A. Cerulo, 2011-06-07 Do birds of a feather flock together or do opposites attract Does haste make waste or should you strike while the iron is hot Adages like these or conventional wisdoms shape our social life This Fifth Edition of *Second Thoughts* reviews several popular beliefs and notes how such adages cannot be taken at face value This unique text encourages students to step back and sharpen their analytic focus with 24 essays that use social research to expose the gray areas of commonly held beliefs revealing the complexity of social reality and sharpening students sociological vision Catholic Theological Ethics, Past, Present, and Future

James F. Keenan, 2011 An international meeting in Trento in July 2010 brought together some 500 theological ethicists from nearly 75 countries This volume represents the state of the art in moral theology from around the globe with contributors from North America Latin America Europe Asia and Africa Divided into three main parts the past the present and the future contributors include John W O Malley foreword Monsignor Luigi Bressan Archbishop of Trento James F Keenan Archbishop Bruno Forte Mercy Amba Oduyoye Ghana Ahmad Syafii Ma arif Ma arif Institut Indonesia Paolo Prodi Italy Laurenti Magesa Kenya Regina Ammicht Quinn Germany Alberto Bondolfi Switzerland Diego Alonso Lasheras Italy Roger Burggraeve Belgium Anne Nasimiyu Kenya Bryan Massingale US Antonio Moser Brazil ric Gaziaux Belgium Margaret Farley US Benezet Bujo Switzerland Brian Johnstone US Miguel Angel Sanchez Carlos Mexico David Kaulem Zimbabwe Leo Pessini Brazil Pushpa Joseph India Margaret Ogala Kenya Julie Hanlon

The Evolving Citizen Jay P. Childers, 2012 Examines through an analysis of seven high school newspapers the evolution of civic and political participation among young people in the United States since 1965 Provided by publisher

Family Life Education Carol A. Darling, Dawn Cassidy, 2014-04-23 Contemporary family life educators operate within a wide range of settings and with increasingly varied populations and families In the third edition of Family Life Education Darling and Cassidy expose readers to the diverse landscape of the field while laying a comprehensive research based practical foundation for current and future family life educators The authors both CFLE certified consider the Certified Family Life Educator certification requirements of the National Council on Family Relations throughout the text Their broad overview of the field includes a brief history and discussion of family life education as an established profession The authors incorporate theory research and practice while also providing guidelines for planning implementing and evaluating family life education programs Chapters on sexuality education relationship and marriage education and parenting education highlight some of the more prevalent and visible forms of family life education Comments from international educators and interactive classroom exercises focus on global trends building awareness and appreciation of diversity Discussion questions and activities encourage readers to examine issues and apply what they have learned

Couple Relationships in a Global Context Angela Abela, Sue Vella, Suzanne Piscopo, 2020-04-03 This book examines the significance of the couple relationship in the 21st century exploring in depth how couple relationships are changing in different parts of the world It highlights global trends and cultural variations that are shaping couple relationships The book discusses diverse relationships such as intercultural couples same sex couples long distance couples polygynous marriages and later life couples In addition chapters offer suggestions for ways to best support couples through policy clinical practices and community support The book also investigates aspects of a relationship that help predict fidelity and stability Topics featured in this book include Couple relationships when one partner has an acquired physical disability Impact of smartphones on relationships Online dating and its implications for couple relationships Assessment and intervention in situations of infidelity and non monogamy Parenting interventions for the transition from partnership to parenthood Online couple psychotherapy to support emotional links between long distance partners Couple Relationships in a Global Context is an essential resource for researchers professors and graduate students as well as clinicians and practitioners in family therapy clinical psychology general practice family medicine social work and related psychology and medical disciplines

Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a

Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Contemporary Society John A Perry,Erna K Perry,2015-08-27 This best selling text emphasizes that social and cultural changes are the pervasive realities of our era One of the main themes of Contemporary Society is that the transition from an industrial to a post industrial order in the modern world is fraught with difficulties as was the transition from an agricultural to an industrial order in an earlier era Within this framework we can observe the increasing fragmentation of the social order which tends to lead people away from community and a common purpose and often invites conflict and disunity At the same time countervailing social forces are also at work providing some stability some shelter in the storm Finally societies are faced with the rapid and transformative power of information technology a fact that propels separate groups of people into a global entity

Contemporary Society John Perry,Erna Perry,2016-04-14 This best selling text emphasizes why social and cultural changes are the pervasive realities of our time A key theme of Contemporary Society is that the transition from an industrial to a post industrial order in today s world is fraught with difficulties as was the transition from an agricultural to an industrial order in an earlier era Within this framework we can observe the increasing fragmentation of the social order today which tends to lead people away from community and a common purpose more often bringing conflict and disunity Still countervailing social forces are also at work providing some stability some shelter in a sea of change Ever more societies are faced with the rapid and transformative power of information technology which helps propel separate groups of people into a global entity This introduction to the social sciences shows what the authors have learned from such disciplines as anthropology geography history sociology psychology political science and economics and how to apply social science approaches to an ever faster tempo of change The authors cover family life interaction with others racial and ethnic diversity education religion population environment and many other topics analyzed in a student friendly approach New to this Edition The integration and flow of the text has been improved for better student comprehension Expanded selection of Web Links to many more sites for student research many relevant to their interests and entertainment choices Enriched focus on applying social science knowledge to current events transcending a complete reliance on assumptions from the media New expanded coverage on topics throughout the book including New findings from global warming research and its implications for social life and policy New developments in race relations in an integrated approach throughout many chapters Deepening inequality and the implications that threaten family education and student futures nationally and globally Gender including

new developments in legal gay marriage and transgender Expanded coverage of genetics and the medical potential of human genome sequencing New developments in astrophysics and their potential implications for society Updated Statistics throughout
