The Publishers' Trade List Annual, 1973 *The Living Church*, 1942 **Learning to Pray in the Lutheran Sunday School 1942-1952**, Rick Warren & the Modern Church Armin Hammer, 2007 The INTRAfaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters? Susan Strouse, 2016-03-18 This crisp and cogent book by the Rev Dr Strouse is published at a time when both interfaith and intrafaith dialogue are critical to the vitality of spiritual life in our nation As a parish pastor in a small struggling congregation I have become increasingly aware of the insularity and isolation of many of our parishioners This seems less the result of inadequate parish education as it is the byproduct of too many people getting their information from biased TV networks so called social media or word of mouth We parish pastors need to examine our internal intra congregational conversations about diverse faith traditions and how they bear on congregational mission I was particularly impressed by the author's use of footnotes and her extensive bibliography The book is a walking talking workshop in print with its detailed reflection discussion questions and suggestions for further reading Thank you Pastor Strouse for such a comprehensive presentation of how to approach constructively this timely and important conversation Review by Richard G Eddy **The Lord's Supper** Gordon T. Smith, 2010-02-04 Lord's Supper Eucharist Communion Sacrament Ordinance While it's the meal that should unite us as followers of Christ it sometimes appears we can't even agree on what to call it let alone how we might share a common theological view of its significance Even if we cannot reach full agreement how can we better understand one another and this central observance of the Christian faith Gordon Smith has invited five representatives of differing views within Christian tradition Each holds his or her views with conviction and makes the case for that tradition Each responds to the other views with charity highlighting significant areas of agreement and disagreement The views and contributors include The Roman Catholic View Brother Jeffrey Gros F S C Professor of Church History Memphis Theological Seminary Memphis Tennessee The Lutheran View John R Stephenson Professor of Historical Theology Concordia Lutheran Theological Seminary St Catherines Ontario The Reformed View Leanne Van Dyk Academic Dean and Professor of Reformed Theology Western Theological Seminary Holland Michigan The Baptist View Roger E Olson Professor of Theology George W Truett Theological Seminary Waco Texas The Pentecostal View Veli Matti K rkk inen Professor of Systematic Theology Fuller Theological Seminary Pasadena California Here's a book that offers more light than heat on an important topic **Blessings and Prayers for College Students**, 2005 Compact size goes anywhere Affordable price puts resource in the price range of many Prayers and Scripture passages arranged by topic Follows a daily prayer format Created without dates for perpetual use Prayers from the Daily Office Psalms Hymns and canticles Scripture readings A brief summary of the Christian faith from Luther's Small Catechism The Lutheran Pioneer, 1879 **Lutheran Service Book** Lutheran Church--Missouri Synod, 2006 *The Oxford Handbook of Early Modern Theology, 1600-1800* Ulrich L. Lehner, Richard A. Muller, A. G. Roeber, 2016 The Oxford Handbook of Early Modern Theology

1600 1800 will offer a comprehensive and reliable introduction to Christian theological literature originating in Western Europe from roughly the end of the French Wars of Religion 1598 to the Congress of Vienna 1815 Using a variety of approaches the contributors examine theology spanning from Bossuet to Jonathan Edwards They review the major forms of early modern theology such as Cartesian scholasticism Enlightenment and early Romanticism sketch the teachings of major theological concepts along with important historical developments introduce the principal practitioners of each kind of theology and delineate their particular theological contributions and stresses and depict the engagement by early modern theologians with other religions or churches such Judaism Islam and the eastern Church Combining contributions from top scholars in the field this will be an invaluable resource for understanding a complex and varied body of research
