Counselling Guide for Altar Workers Church of God of Prophecy, **Prayer Counselor** Devay Myatt,2009-12 Order is more important than intentions Even in the face of the greatest intentions chaos will impede any progress The Prayer Counselor is essential in providing appropriate guidance to God s people towards restoration at his altars I am a Surgeon by trade The operating suite must be orchestrated appropriately for the patient to have an expected outcome The patients have already demonstrated submission by allowing themselves to be wheeled into the operating room After submission there must be precise execution by all members of the operating team The altar visitors have submitted themselves to an even greater degree by their public display of approaching the altar As a surgeon I accept the lead role in the surgical suite but everyone involved in the care of the patient must be in the right place at the right time for the patient to have the expected outcome While at the altar the leader of the altar call must be allowed to flow in the perfect will of God without being distracted by tasks that should be delegated to others The Prayer Counselor will assist the Men and Women of God in providing the appropriate atmosphere that will bring God s people into his perfect will Dr Roderick Claybrooks Devay Myatt Ministries P O Box 702426 Plymouth Michigan 48170 Phone 313 770 7143 Fax 313 934 3838 **Using Textile Arts and Handcrafts in**
