Knowledge, Information and Creativity Support Systems: Recent Trends, Advances and Solutions Andrzej M.J. Skulimowski, Janusz Kacprzyk, 2016-02-25 This volume contains some carefully selected papers presented at the 8th International Conference on Knowledge Information and Creativity Support Systems KICCS 2013 which was held in Kraków and Wieliczka Poland in November 2013. In most cases the papers are extended versions with newer results added representing virtually all topics covered by the conference. The KICCS 2013 focus theme 'Looking into the Future of Creativity and Decision Support Systems' clearly indicates that the growing complexity calls for some deeper and insightful discussions about the future but obviously complemented with an exposition of modern present developments that have proven their power and usefulness. Following this theme the list of topics presented in this volume includes some future oriented fields of research such as anticipatory networks and systems, foresight support systems, relevant newly emerging applications exemplified by autonomous creative systems. Special attention was also given to cognitive and collaborative aspects of creativity.
