placed in the country farm home of a sixty one year old widow lady who owned a 110 acre working dairy farm You see the picture She was tiny for seven with snow white blond hair and blue eyes A total stranger she called Grandma would be her new mother of sorts Joyce Ann would be the little running legs for this sixty one year old guardian and essentially a child servant The white frame farm house was typical of a 1940 s farm home without electricity plumbing and central heat This household was totally self supporting from the farm Foods were grown there and preserved for winter Animals were butchered cows were milked hogs were slopped and fields were tended The days were not programmed for play Totally unaware she learned life s lessons and although sometimes reluctantly developed a powerful work ethic Fourteen years with Grandma produced a young woman who became her own person It was not easy and decisions she had to make many times were difficult and unfair for a child Joyce Ann could not afford to make mistakes Why She had no one and no where to go Mistakes were not possible and she knew it Well Grandma scared her to death and she walked the walk Thank you Grandma because Joyce Ann became a woman you would be proud to know today You will read a very happy ending of the story of Joyce Ann s life and how she flourished despite a lonely beginning She researched her family genealogy with intensity and found she really did have a family she never shared In short she found peace and grateful thanks
