This resource is for grades 6-8 and aligns to the International Reading Association (IRA) and National Council of Teachers of English (NCTE) Standard 1, 2 and 3. Learning to read is one of life's most important skills. Becoming an accomplished reader greatly enhances a person's chances for success in school, in work and in leisure activities. Success in any endeavor requires insight, effort and practice. This series, *Reading Simplified*, provides an opportunity for students to satisfy those requirements. Insight comes with the understanding of steps and structure. The structure of reading is broken down into its many steps or skills: letter sound recognition, kinesthetic discrimination, phonics, word structure, vocabulary, comprehension, oral reading, study skills and content area reading. Effort usually comes from within, but students' efforts are sparked and sustained by the variety of motivating activities found in each book. Practice is at the heart of these books. Proper sequencing and progressive

recapping of skills and approaches lead students toward reading mastery
