Answered Prayers Tiffany Zweifel, 2021-11-12 For a year and a half morning and night Alexandria Tackleman prayed she would be able to escape from her abusive husband and isolated life Was this day at the beach her chance Winston Grover had been watching the mistreated woman who looked like she just wanted to swim Help her a voice urged Do you need help escaping from that man he whispered in Alexandria's ear Before she could answer he was gently but quickly escorting her back to shore What was happening Her first impulse was to pull away to push this stranger away to yell that she didn't need his help and explain how Gary was her husband But while her brain tried to tell her tongue what to say and her legs what to do she heard the soft voice repeat Trust me Go I am answering your prayer She glanced at the man beside her His lips were not moving She felt a warmth spread through her that had nothing to do with the blazing sun overhead A calmness swept over her And she knew Her prayers had been answered But what her rescuer didn't know was that she would change his life forever too

Morning light [afterw.] The New-Church weekly, 1878 **Atkinson's Casket**, 1837 **Raging Sea** Terri Brisbin, An ancient goddess drawing her followers closer to free her from her prison A man who discovers he can control the winds and storms The woman he betrayed who must trust him if they are to conquer the evil one

Soren Thorson thought his uncle's stories of an evil force trying to return to destroy their world just another tale of outdated gods. When the powers rise in his blood and he can call and control the winds and sky, Soren realizes he is part of a bigger plot. And when groups of strangers arrive in Orkney and threaten the one woman he loved and lost, he is willing to do what he must to protect her. He never expected it meant battling others who held the powers of ancient gods within them. After Soren's betrayal, Ran Sveinsdottir turns her attention to learning and controlling her father's trading company. Until a powerful and terrifying man arrives and uses her father to force her into his dark plan. Until she discovers that her affinity to water and the sea is much much more than simply that. As more innocent lives are put at risk and the future of humanity hangs in the balance, Ran must discover the truth about Soren and her own new powers and decide if she can risk her life, heart, and soul to the one man who'd thrown them away once before. This dark emotional fantasy romance series set in medieval Scotland was previously published by Berkley.
