Pullen, Michael J. Kennedy, 2018-10-04 Of the many issues facing special education

and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention

Pyramid Response to Intervention Austin Buffum, Mike Mattos, 2009-12-01 Accessible language and compelling stories illustrate how RTI is most effective when built on the Professional Learning Communities at Work™ process Written by award winning educators from successful PLC schools this book demonstrates how to create three tiers of interventions from basic to intensive to address student learning gaps You will understand what a successful program looks like and the many reproducible forms and activities will help your team understand how to make RTI work in your school

The Psychology of Reading Paula J. Schwanenflugel, Nancy Flanagan Knapp, 2015-11-11 Incorporating cognitive neuropsychological and sociocultural perspectives this authoritative text explains the psychological processes involved in reading and describes applications for educational practice The book follows a clear developmental sequence from the impact of the early family environment through the acquisition of emergent literacy skills and the increasingly complex abilities required for word recognition reading fluency vocabulary growth and text comprehension Linguistic and cultural factors in individual reading differences are examined as are psychological dimensions of reading motivation and the personal and societal benefits of reading Pedagogical Features End of chapter discussion questions and suggestions for further reading Explicit linkages among theory research standards including the Common Core State Standards and instruction Engaging case studies at the beginning of each chapter Technology Toolbox explores the pros and cons of computer assisted learning

Delivering Intensive, Individualized Interventions to Children and Youth with Learning and Behavioral Disabilities Melody Tankersley, Bryan G. Cook, Timothy J. Landrum, 2022-05-12 The chapters in this volume cover a broad range of topics that address issues surrounding the identification of students who need the most intensive intervention intensive intervention features and delivery considerations behavioral interventions academic interventions and preservice teacher preparation
