

Air Force NCOA questions with verified solutions graded A+

When the dictionary definitions and the philosophical descriptions of the term "profession" are combined, what are the criteria for an occupation to be described as a profession? - correct answer ✓✓ One that exhibits a body of theory and specialized knowledge, is service-oriented, and has a distinct subculture.

What is wrong with the position that any given broadly defined occupation is either a profession or in not? - correct answer ✓✓ That approach leads to such conclusion as only doctors and not nurses are members of the medical profession and only officers and not enlisted are professionals of the POA. The vast majority of occupations and professions are distributed all along the great middle between the two extremes. The characteristics which determine an occupation's place on the Profession Continuum is not prestige or salary, but rather the three criteria. A century or two ago only a few recognized professions existed (physician, professor, clergy, etc.) and now there's no need for the vacuum tube changer in today's computer systems (an important job only half a generation ago)

List unprofessional actions that should NOT be exhibited by NCOs? - correct answer ✓✓ • Coasting thru a career

• Considering oneself only a technical expert - correct answer ✓✓ ...

• Discrimination - correct answer ✓✓ ...

• Ignoring directions the asking for forgiveness - correct answer ✓✓ ...

• Inflating EPRs - correct answer ✓✓ ...

• Lack of Self Discipline - correct answer ✓✓ ...

• Neglecting weak skill areas - correct answer ✓✓ ...

Air Force Ncoa Study Guide

Boone Nicolls

Air Force Ncoa Study Guide:

Promotion Fitness Examination ,1999 Promotion Fitness Examination Study Guide ,2003 **Airman's Guide**
Boone Nicolls,2016-12-01 This top selling reference guide has been revised and updated throughout to reflect the latest information for U S airmen **Air University Quarterly Review** ,1966 **The Warrior, Military Ethics and Contemporary Warfare** Pauline M. Kaurin,2016-02-17 When it comes to thinking about war and warriors first there was Achilles and then the rest followed The choice of the term warrior is an important one for this discussion While there has been extensive discussion on what counts as military professionalism that is what makes a soldier sailor or other military personnel a professional the warrior archetype varied for the various roles and service branches still holds sway in the military self conception rooted as it is in the more existential notions of war honor and meaning In this volume Kaurin uses Achilles as a touch stone for discussing the warrior military ethics and the aspects of contemporary warfare that go by the name of asymmetrical war The title of the book cuts two ways Achilles as a warrior archetype to help us think through the moral implications and challenges posed by asymmetrical warfare but also as an archetype of our adversaries to help us think about asymmetric opponents **Air University Review** ,1966 The Coyote Log ,1990 *Air University Library Index to Military Periodicals* ,1998 **Review of Requirement for Construction at Vandenberg Air Force Base in Support of the M-X Missile Development** United States. Congress. Senate. Committee on Armed Services. Subcommittee on Military Construction and Stockpiles,1980 **Transportation Corps Professional Bulletin** ,1989
