Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

I chanced upon a job opening in your airlines on a hiring portal, and I would like to present my resume and cover letter for the same. The job role I am applying for is an Aircraft Maintenance Engineer. With almost two years of experience in this field, I am quite enthusiastic and excited to be an even better professional in this job role.

One of the important aspects that most organizations expect in an Aircraft Maintenance Engineer is strong background knowledge about aircraft and extreme interest and passion. These always make one the most valued employee.

In my previous job as an Aircraft Maintenance Engineer, I have been zealous, quick learning, and a determined professional. Now, I feel that it's time for me to shift to a new company, especially to an international airline like yours, so I could bring in my positives as well as upgrade myself to be more effective. I hope to bring in all of those positives and much more learnings to this role and always be on par with what's expected of me by your reputed enterprise.

It would be a great opportunity if we could discuss further on this job role so that you will also have a chance to have a clear opinion on how well of a fit, I would be to the role you are offering.

Sincerely,
[Your Name]
