
Annual Report 2005

Introduction

The Annual Report 2005 of the Secretary General of the ISPRS covers both a record of the activities within the year as well as the review of the researches and developments of photogrammetry and remote sensing areas.

ISPRS Council extends its appreciation to all of the ISPRS members who are participated in the activities. Without their efforts and contributions, we would not have a suc-

cessful year as far as the welfare and sustainability of ISPRS is concerned.

Please kindly note that all questions or comments related with the Annual Report are to be sent to the Secretary General of the ISPRS.

Orhan Altun, Secretary General

Report from Council

1. Society Activities

The office of the Secretary General of the Istanbul Technical University, Turkey carried day to day works of the office, communicate with all the members and related organizations and various requests were replied within the year.

The Secretary General, being the Former Congress Director, supervise the preparation of the Volume A of the 300th ISPRS Congress and the volume went to print by the year end. It is been expected to be distributed within the first months of 2006.

The Silver Book had been prepared by June and distributed in July.

The Blue Book had been prepared by the September and distributed in October.

A questionnaire prepared and sent to all OoM, SeM, RgM, and AsM in order to renew the database upon receipt of the replies, the database of the ISPRS had been modified and updated accordingly.

We would like to thank Rachel Pated for her efforts and cooperation on this subject.

An "Invitation Booklet" inviting institutions, companies, and organizations enumerating the benefits of becoming ISPRS Sustaining Member has printed and distributed at the meetings during the year. Besides recruitments e-mails have been sent up to 1000 potential members. 5000 copies of New ISPRS pamphlets printed and distributed among the participants of several meetings of our profession.

Approvals were given to the meetings requested by the

WGs as per the calendar and our records Volume no's also were given to all requests for archives whether they were provided as digital and/or hard copy form.

In this year Council has met in Zurich and again, with the TCs, in Enschede, The Netherlands. There have also been several informal meetings of some members of Council. As always there has been constant e-mail communication.

Other issues discussed by Council have been the budget, (see below for more information), and our priorities for external activities.

Based on the success of the Video prepared by the 300th ISPRS Congress, Council has decided to prepare a similar Video for promoting the works and sciences related with the ISPRS activities. This Video will be distributed in February, 2006.

Council members have continued to represent ISPRS at International fora which includes the United Nations, CEOS and ICSU. ISPRS has joint the GeoUnions Group of ICSU and will be involved in the International Polar Year. ISPRS has also joined the Group on Earth Observation (GEO). The President, Secretary General and Congress Director visited a number of member organizations.

2. Membership

As per the main responsibilities and efforts of the Secretary General, the following members were admitted to the ISPRS:

Associate Member:

1. Chinese-Taipei Geoinformatics Society, Chinese-Taipei

Annual Report Of 2005

International Monetary Fund

Annual Report Of 2005:

International Monetary Fund Annual Report 2005 International Monetary Fund, 2005-09-16 The Annual Report 2005 to the Board of Governors reviews the IMF's activities and policies during the financial year May 1 2004 through April 30 2005. The main sections cover country global and regional surveillance strengthening surveillance and crisis prevention IMF program support and crisis resolution the Fund's role in low income countries financial operations and policies technical assistance and training governance and management of the IMF and cooperation communication and outreach. Besides the full financial statements for the year, appendixes cover international reserves financial operations and transactions principal policy decisions relations with other international organizations press communiqués of advisory committees Executive Directors and their voting power and changes in the Executive Board's membership. **IEO Annual Report 2005-06**

International Monetary Fund. Independent Evaluation Office, 2007-01-30 The IMF's surveillance framework encompasses a new focus on multilateral issues and especially the spillovers from one economy onto others. This third Annual Report of the Independent Evaluation Office describes ongoing and recently completed evaluations and discusses additions to IEO's work plan. General lessons pertaining to IMF surveillance emerging from recent evaluations are highlighted and discussed, namely the need for better integration of financial and macroeconomic factors as well as bilateral and multilateral policy analysis and policy prescriptions. The findings of an External Evaluation Panel charged with assessing the work of the IEO are also covered. **Defense Logistics Agency Annual Financial Report 2005**, Minerals Yearbook, 2009 **The Chinese**

and Indian Corporate Economies Raj Brown, 2017-02-03 This is a compelling analysis of the corporate economies of China and India which are having a huge impact not just on the international economy but also in the geopolitical and international strategy sphere as a result of an accelerated globalisation by these two countries which is unleashing powerful economic challenges to corporate structures economic institutions and law worldwide. The big question is how after centuries of underdevelopment China and now India are emerging powerfully and pulling ahead of Western European economies. Analysing the role of the state and the adroit use of law and their impact on the corporate evolution of both China and India provides greater clarity and insight into why China has evolved as a manufacturing nation utilizing cheap abundant labour while India has not exploited such advantages but instead focused on IT and higher value industries even abroad as Tata has demonstrated in the motor industry in Europe. Again while Chinese corporations have expanded abroad as an arm of the state into Asia Middle East Africa Europe Latin America and parts of the southern states of the USA India has pushed principally into Europe through the efforts of powerful minority capitalists of Parsi and Gujarati background overcoming technological gaps and differences through acquisitions and absorptions of existing corporations in particular industries especially in steel automobiles and textiles. In China state owned corporations have been dominant. In India though state owned enterprises have been powerful since 1951 it has been private capitalists with an established stronghold since the colonial period and

even under the Socialist period from 1951 1991 who have been the more productive main actors both in India and abroad

Corporate Governance and China's H-share Market Alice De Jonge,2008-01-01 Using detailed case studies of the first nine mainland Chinese companies to be listed on the Hong Kong stock exchange 1993 94 Alice de Jonge examines the evolution of corporate governance law and culture in China s H share market A story emerges not of tensions between ideas of corporate governance from two different legal systems Hong Kong vs mainland Chinese nor about legal convergence as China adopts concepts from Anglo American jurisdictions Rather it is a story of individual firms being pragmatic in mediating the different agendas of state agencies that own or control them Corporate Governance and China s H Share Market looks at corporate governance in a cross border context is unique in providing a detailed understanding of China s H share market reveals why a beer company was the first ever Chinese firm to be listed overseas This fascinating work will appeal to postgraduate students and scholars of corporate governance Asian law and legal systems and Asian business as well as Chinese scholars more generally Professionals such as law practitioners working in Chinese law will also find the book of interest

The New Role of Regional Management B. Ambos,B. Schlegelmilch,2009-12-10 Regional management has taken on a new role and is becoming more important This book explores the challenges of European US and Asian companies It outlines how regional headquarters can develop into Dynamic Competence Relay centers to master these challenges

The Complete Guide To Referencing And Avoiding Plagiarism Neville, Colin,2010-02-01 This excellent new edition will continue to demystify the referencing process and provide essential guidance on making sure you are not committing plagiarism It provides clear guidelines on why and when to reference as well as how to correctly cite from a huge range of sources

Financial Accounting for Management Ambrish Gupta,2008-09 Financial Accounting for Management An Analytical Perspective focuses on the analysis and interpretation of financial information for strategic decision making to enable students and managers to formulate business strategies for revenue enhancement cost economies efficiency improvements restructuring of operations and further expansion or diversification for creating and enhancing the shareholder s value Though the book has MBA MFC and MBE students as its primary audience managers in the corporate sector and students of CA CWA CS CFA and CAIIB will find it equally useful because of its practical orientation

Corporate Ownership and Control Shalini Perera,2011 The governance of companies is of importance to developing countries due to the link between effective corporate governance and economic development Ownership and control of public companies except in the US and UK is often in the hands of a few individuals families or corporate groups and impact on corporate governance and economic development Using Sri Lanka as an illustrative example Corporate Ownership and Control sets out the implications of corporate ownership and control structures on the governance of companies and suggests a reform agenda to meet the challenges posed by such structures Any analysis into the reform of corporate governance in developing countries should begin with a focus on the local market structures that define its adaptation and effectiveness The issues explored in

the book provide an insight into ownership and control structures in Sri Lanka the costs and benefits of such structures and the necessary reform framework to promote effective corporate governance The analysis can be used to both understand the impact of ownership structures on corporate governance and suggest how corporate governance issues arising from such structures should be resolved in order to promote economic development and growth
