DuPree, 2013-09-13 First Published in 1996 Those of us who aspire to know about the black church in the African American experience are never satisfied We know so much more about the Christian and church life of black Americans than we did even a dozen years ago but all the recent discoveries whet our insatiable appetites to know it all That goal will never be attained of course but there do remain many conquerable worlds Sherry Sherrod DuPree set her mind to conquering one of those worlds She has persisted with the results detailed here A huge number of items are available to inform us about Holiness Pentecostal and Charismatic congregations and organizations in the African American Christian community

Pentecostal and Postmodern Hermeneutics Bradley Truman Noel, 2010-01-29 *Pentecostal and Postmodern* seeks to

explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth. As the Postmodern ethos makes its presence increasingly felt in the Western world, no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders. Recent trends in Pentecostal hermeneutics, however, may actually make the task more difficult. No historical movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry. In the last several decades, we must also connect Pentecostal academia with evangelism efforts among youth and young adults. This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations.

Sixty revivals, awakenings and Heaven-sent visitations of the Holy Spirit in the nations of Germany, Britain, America, Switzerland, South Africa, Norway, Sweden, Scotland, England, Wales, Ireland, China, Korea, Japan, Ghana, etc. Manchuria annexed by Russia, India, Australia, Ruanda, Argentina and Indonesia.

Pentecostalism, Secularism, and Post Christendom Bradley Truman Noel, 2015-12-14. If only we were a Christian country again. Christians, particularly those in the West, often lament their loss of influence in modern politics and culture. It seems that everywhere one turns, Christendom in the West is dealt another blow, with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance. Pentecostalism, Secularism, and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post-Christian ethos of Western culture. In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture, this work will argue that counter-intuitively, the death of Christendom, if properly addressed, may in fact herald the arrival of the Church's finest hour.

The Next Great Move of God Jennifer LeClaire, 2015. BE PART OF THE MOVEMENT THAT REACHES HEAVEN. Before its foundation, America first flew the Appeal to Heaven flag. It was the banner George Washington used on his navy ships to signal that their only hope against British rule and religious

persecution was an appeal to heaven The crusade continues today Sparked in part by a revelation Dutch Sheets received over the course of twelve years the nation is being called back to prayer for a Third Great Awakening As a result pockets of revival are breaking out across the nation Through in depth interviews eye witness accounts transcribed speeches and prophetic visions from noted leaders such as Billy Graham Reinhard Bonnke the late Steve Hill and others *The Next Great Move of God* serves as a means to not only fan the fires of revival unto this awakening but also equip you to sustain it **Tongues** Richard Hogue, 2010-04-06 Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Paul's teaching Through the centuries there has been a wide variety of answers regarding the validity and veracity of speaking praying and singing in tongues and its place within the life of the Christian and the Church What is it Is speaking in tongues such a radically supernatural experience that language is totally unknown or is it as some have contended actual human languages that are simply unknown to the speakers Several have believed it to be the language of heaven or at least from heaven Others have declared it to be ecstatic unintelligible utterances that require a highly charged emotional moment to experience Should each Christian pray and sing in tongues or is it reserved for a special few deeply spiritual ones Did Jesus pray in tongues These questions and more are answered by author and pastor Richard Hogue in *Tongues A Theological History of Christian Glossolalia* His academic approach begins by firmly establishing biblical evidence before launching a chronological connect the dots exercise through Christian history The design revealed is the undeniable influence of the Holy Spirit From Saul of Tarsus to John Wesley from Pentecost to Azusa Street Richard Hogue follows the gift of tongues and clearly draws a picture of today's role of the Holy Spirit in *Tongues A Theological History of Christian Glossolalia* *God, Harlem U.S.A.* Jill Watts, 1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the twentieth century's most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine's childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine's social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine *God Harlem U S A* finally provides a balanced and intimate account of his life's work **Pentecostal Hermeneutics in the Late Modern World** L. William Oliverio, 2022-05-27 In *Pentecostal Hermeneutics in the Late Modern World* L.
