1988 Jeep Cherokee Steering Repair:

Jeep Cherokee XJ Advanced Performance Modifications 1984-2001 Eric Zappe, 2014-03-01 The Jeep Cherokee is one of the most prolific and rugged sport utility vehicles in history. Throngs of off-roading enthusiasts have chosen the Cherokee for navigating over the toughest terrain, climbing rocks, and trail driving, but these unibody 1984-2001 models have much room for improvement to become the best off-road vehicles. In **Jeep Cherokee XJ Advanced Performance Modifications 1984-2001**, author Eric Zappe explains how to transform a stock Cherokee into the toughest and most capable off-road 4x4 SUV. The author details the build-up, right combination of parts and products, and modifications necessary to build an aggressive off-road rig. He also shows how to weld and gusset the frame in critical areas. Installing a three and four link suspension system is also profiled so the Cherokee delivers greater travel and better off-road handling. Suspension and frame modifications are necessary to run large wheels and tires. And these wheels and tires are essential for traction performance and ground clearance in extreme off-road situations. Swapping in Dana 44, Dana 60, and Ford 9 inch axles delivers superior performance and durability, which is covered as well. In addition, how to modify the Jeep inline 6 cylinder engine for increased displacement and performance is revealed. All of the most popular and effective mods, parts, and upgrades for a dedicated off-road Cherokee are covered. If you've been looking for the one guide to build the most capable off-road Cherokee, you've found it. **jeep cherokee and comanche automotive repair manual**, 2000 **Chilton's Truck and Van Repair Manual**

1982-88 Chilton Automotive Books, 1988-03 Kiplinger's Personal Finance, 1990-03 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics **1993 Mitchell Domestic Light Trucks & Vans Service & Repair** Mitchell International, 1993
