Amazing Friendly English Edition:

Zimzum Christoph Schulte, 2023-09-12 The Hebrew word zimzum originally means contraction withdrawal retreat limitation and concentration In Kabbalah zimzum is a term for God s self limitation done before creating the world to create the world Jewish mystic Isaac Luria coined this term in Galilee in the sixteenth century positing that the God who was Ein Sof unlimited and omnipresent before creation must concentrate himself in the zimzum and withdraw in order to make room for the creation of the world in God s own center At the same time God also limits his infinite omnipotence to allow the finite world to arise Without the zimzum there is no creation making zimzum one of the basic concepts of Judaism The Lurianic doctrine of the zimzum has been considered an intellectual showpiece of the Kabbalah and of Jewish philosophy The teaching of the zimzum has appeared in the Kabbalistic literature across Central and Eastern Europe perhaps most famously in Hasidic literature up to the present day and in philosopher and historian Gershom Scholem s epoch making research on Jewish mysticism The Zimzum has fascinated Jewish and Christian theologians philosophers and writers like no other Kabbalistic teaching This can be seen across the philosophy and cultural history of the twentieth century as it gained prominence among such diverse authors and artists as Franz Rosenzweig Hans Jonas Isaac Bashevis Singer Harold Bloom Barnett Newman and Anselm Kiefer This book follows the traces of the zimzum across the Jewish and Christian intellectual history of Europe and North America over more than four centuries where Judaism and Christianity theosophy and philosophy divine and human mysticism and literature Kabbalah and the arts encounter mix and cross fertilize the interpretations and appropriations of this doctrine of God s self entanglement and limitation *A Stunning World of Faith, Family, and Friendship- and The Unforeseeable* Ronald C. Leadbetter, 2023-04-26 Much of the world we live in is perceived by many as dangerous and unfriendly Well into his early adulthood the author thought so to the extent that he had little interest in traveling outside the boundaries of his homeland He certainly lacked any interest whatsoever in traveling overseas While the author travelled extensively throughout the United States for work related as well as personal purposes preplanning of trip details was the norm Assistance of tourist agencies was utilized regularly in order to assure comfort and safety Overnight accommodations were almost always prearranged All plans focused on assuring comfort and convenience While the author proclaimed Christian faith early in his professional career that proclamation did not extend to sharing that faith with others outside the United States or even locally outside the author s comfort zone The author refrained from personally interacting with people of unfamiliar cultures let alone those in foreign locales deemed difficult or even impossible to reach and interact with Then an incredible transformation took place in the author s life Roughly thirteen years into the author s professional career his fear of the unknown and unfamiliar cultures was miraculously removed from his being Shortly after his staunch commitment to advance planning of trip details was eradicated little by little Following the removal of fear of the unknown from the author s persona he was time and again drawn into experiences falling further and further

outside his previous comfort zone Over time the author was increasingly blessed with amazing new friendships overseas wonderful ties with families abroad and incredible faith sharing opportunities in foreign lands independent travels that have taken him to nearly ninety countries worldwide Ron s amazing interactional experiences were regularly intertwined with stunning events most would describe as unpredictable inconceivable or even impossible and virtually always unforeseeable Hence the title of this book A Stunning World of Faith Family and Friendship and the Unforeseeable In many instances the experiences described in these pages might appear to be grossly exaggerated or even fabricated Hence the inclusion of numerous photos documenting the stunning truth
