Focus On: 100 Most Popular Television Series by Sony Pictures Television Wikipedia contributors, Book Bites: Snippets in Time S. R. Mallery, 2018-04-03 *Now I Am Paper* Uvi Poznansky, 2015-06-02 Written in rhyme this is a children book for all ages telling the story of longing for a child who has gone on her way and left the old tree behind The tree gives voice to love and loss fear and hope death and rebirth in a new form as it is transformed first to pulp and then to paper the very paper from which the child reads this story Sensually told it brings forth the sounds and smells of the forest I remember a gentler sound The forest rustling in the rain Leaves were swirling all around I heard soft footsteps up the lane The paintings for the cover and interior pages are watercolor on paper done by the author She drew the text for each verse by hand in a Gothic font that is as flowery as the tree used to be in its prime Children would love the highly decorative style of the writing and the sudden long strokes that express the emotions in this story Each verse appears on a paper leaf that floats over transparent paper in the shape of an ellipse which symbolizes a puddle of tears at the foot of the tree *Inspired by Art: A Peek at Bathsheba* Uvi Poznansky, 2017-01-28 Inspired by Art A Peek at Bathsheba is a collection of art throughout the ages around the story of David This volume focuses on the most torrid love affair ever told David s forbidden love affair with Bathsheba and his attempt to cover it up These amazing sculptures paintings etchings and manuscripts inspired the author to write The David Chronicles a series of three volumes the second of which is A Peek at Bathsheba where she imagines the love affair and the ensuing scandal Besides being an artist and having worked as an architect she taught art history and this collection served as the basis for a research course analyzing the contrasts in viewpoints around the biblical story This collection is arranged not by artist nor by artistic style or era but rather by the story moment by moment blow by blow as imagined by various artists Rembrandt Michelangelo Chagall Picasso and Jan Steen to name but a few *Inspired by Art: The Edge of Revolt* Uvi Poznansky, 2017-02-06 Inspired by Art The Edge of Revolt is a collection of art throughout the ages around the story of David This volume focuses on the rape of his daughter Tamar by her half brother Amnon the assassination of Amnon at the hands of her brother Absalom and Absalom s revolt trying to topple David from his throne These amazing sculptures paintings etchings and manuscripts inspired the author to write The David Chronicles a series of three volumes the second of which is A Peek at Bathsheba where she imagines the love affair and the ensuing scandal Besides being an artist and having worked as an architect she taught art history and this collection served as the basis for a study course analyzing the contrasts in viewpoints around the biblical story This collection is arranged not by artist nor by artistic style or era but rather by the story moment by moment blow by blow as imagined by various artists Rembrandt Michelangelo Chagall Frederic Lord Leighton and Jan Steen to name but a few **Home** Uvi Poznansky, Zeev Kachel, 2012-09-21 Home A simple word a loaded one You can say it in a whisper you can say it in a cry Expressed in poetry and prose in the voices of father and daughter you can hear a visceral longing for an ideal place A place never to be found

again Imagine the shock imagine the sadness when a daughter discovers her father s work the poetry he had never shared with anyone during the last two decades of his life Six years after that moment of discovery which happened in her childhood home while mourning for his passing Uvi Poznansky presents a tender tribute a collection of poems and prose half of which is written by her and half by her father the author poet and artist Zeev Kachel She has been translating his poems for nearly a year with careful attention to rhyme and rhythm in an effort to remain faithful to the spirit of his words Zeev s writing is always autobiographical in nature you can view it as an ongoing diary of his life Uvi s writing is rarely so especially when it comes to her prose She is a storyteller who delights in conjuring up various figments of her imagination and fleshing them out on paper She sees herself chasing her characters with a pen in an attempt to see the world from their point of view and to capture their voices But in some of her poems she offers you a rare glimpse into her most guarded intensely private moments yearning for Home

Rise to Power Uvi Poznansky, 2014-01-08 Here is the story of David as you have never heard it before from the king himself telling the unofficial version the one he never allowed his court scribes to recount Rooted in ancient lore his is a surprisingly modern memoir Notorious for his contradictions David is seen by others

as a gifted court entertainer a successful captain in Saul's army a cunning fugitive a traitor leading a gang of felons and a ruthless raider of neighboring towns who leaves no witnesses behind But how does he see himself during this first phase of his life With his hands stained with blood can he find an inner balance between conflicting drives his ambition for the crown his determination to survive the conflict with Saul and his longing for purity for a touch of the divine as expressed so lyrically in his psalms If you like ancient historical fiction about court intrigue this king David novel has a modern twist like no book you have read before *The Edge of Revolt* Uvi Poznansky,2014-12-14 David loves his sons The last thing he expects is that they will topple him from the throne Who among them will remain by his side Who will be not only loyal but also eager to continue his legacy For now David remains silent even as Amnon rapes Tamar even as Absalom lures Amnon to his death In families other than his such crimes may be concealed But when they occur in the king's family they affect matters of the state and result in his escape from the son he adores Will he find a way to quell the revolt and come back to the City of David This is a standalone novel as well as volume III of the trilogy *The David Chronicles* told candidly by the king himself David uses modern language indicating that this is no fairytale Rather it is a story that is happening here and now If you like ancient historical fiction about court intrigue this king David novel has a modern twist like no book you have read before **My Own Voice** Uvi Poznansky,2015-08-27 Falling in love with Lenny should have been the end to all her troubles For Anita it's only the beginning when family secrets start unravelling His ex wife Natasha is succumbing to a mysterious disease How can Anita compete with her shadow How can she find a voice of her own And when his estranged son Ben comes back and lives in the same small apartment can she keep the balance between the two men whose desire for her is marred by guilt and blame Dealing with the challenging prospects of the marriage of opposites this book can be read as a standalone novel as well as part of one of family sagas best sellers Still *Life with Memories* is a family saga series tinged with family saga romance fraught with marital issues and riddled with the difficulty of connecting fathers and sons
