1. What is the difference between the three types of representative democracies: participatory democracy, pluralist democracy, and elite democracy?

  - Elite – a small group of people who have more power, make policy
2. Give examples of how participatory democracy is presented in American government.  
State/local levels of government – initiative, referendum, & recall
  - Initiative – the people initiate/begin a law themselves
  - Referendum – the people vote directly on a law

6. Define limited government. How is this reflected in American government?
  - A government that has limited powers (Constitution will limit the powers of the government)
  - Separation of powers, checks and balances, federalism, Bill of Rights
7. Define social contract. How is this reflected in American government?
  - Agreement between the people and government (people will agree to give up some freedoms/rights in order to be protected by the government)
  - Bill of Rights is not absolute (ex: can't yell fire in crowded movie theater), PATRIOT ACT after 9/11
8. Define republic. How is this reflected in American government?
  - Political system where people choose representatives to represent them
  - Electing our Congress members
