How to Become an AHA Instructor

Put your heart into training.

Learn from the leader.

Teach to save lives.

Are you interested in becoming an American Heart Association Instructor?

Consult an American Heart Association Training Center (TC) to find out whether the TC is accepting new instructors and what the TC's preferred course delivery method is. Then, becoming an instructor is as easy as 1-2-3:

1. Complete the Core Instructor Course.
2. Complete a discipline-specific instructor course in BLS, HeartTeam, ACLS, or PALS.
3. Get monitored by an American Heart Association TC or instructor.

American Heart Association Guide Lines:

The AHA Guidelines and Scientific Statements Handbook Valentin Fuster, 2011-09-23 Society sanctioned guidelines on care are valuable tools but accessing key information from the often complicated statements has been a daunting task. Now practitioners and their institutions have a clear path to successful application of guidelines from the American Heart Association. This book outlines the key AHA guidelines Statements and Performance Measures and includes comparisons with the associated European guidelines. This book also has a strong online component which will alert users who sign up to new updates to the guidelines and other relevant information. It will also have links through to the full guidelines and statements.

ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription David P. Swain, ACSM, Clinton A. Brawner, 2012-12-26 ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription was created as a complement to ACSM's Guidelines for Exercise Testing and Prescription and elaborates on all major aspects of preventative rehabilitation and fitness programs and the major position stands of the ACSM. The 7th edition provides information necessary to address the knowledge, skills, and abilities set forth in the new edition of Guidelines and explains the science behind the exercise testing and prescription. ACSM's Resource Manual is a comprehensive resource for those working in the fitness and clinical exercise fields as well as those in academic training.

The Textbook of Emergency Cardiovascular Care and CPR John M. Field, 2009 With an editorial team of leading experts from the American College of Emergency Physicians and the American Heart Association, this book is the first complete clinically oriented reference textbook in emergency cardiovascular care and CPR. The book translates bench research to the clinician's bedside needs and addresses end-of-life issues. The content is appropriate for a large audience including early caregivers, emergency department and CCU nurses, students, residents, fellows, and hospitalists responsible for cardiovascular emergency situations. A companion Website will include the fully searchable text, instructional videos produced by the AHA, and links to ACC, AHA, ASE, ACEP, and ILCOR guidelines and policy statements.

Sport First Aid Robb S. Rehberg, 2025-06-02 Approximately 90 percent of high school student athletes report sustaining an injury while participating in sports. With only about one third of high schools in the United States having full-time athletic trainers and another third lacking any athletic trainer services, you, the coach, are often the first responder when an injury occurs. This reality underscores the importance of providing you with proper training in first aid and injury prevention. Such training prepares you to act quickly and appropriately when an athlete is injured or becomes ill, ensuring the safety and well-being of your student athletes. As a current or aspiring high school or club coach, you can rely on *Sport First Aid Sixth Edition* for the information you need to be a capable and confident first responder. The sixth edition has been

revised and restructured It features an unparalleled author team of experts in athletic training sports medicine exercise science and physiology strength and conditioning and sport coaching It reflects the leading health organizations latest emergency guidelines including those for CPR concussion dehydration and heat illness Tailored specifically to your needs as a coach the text covers causes symptoms and action steps for more than 100 injuries and illnesses In this sixth edition the most common injuries and illnesses are described in greater detail and prioritized so they are easier to reference Additionally flowcharts for over 40 specific injuries and illnesses offer step by step visuals to guide you through the decision making and response process Beyond specific first aid procedures the text provides guidance on understanding your legal duties as a coach assembling an athletic health care team and collaborating with other team members minimizing the risk of injury planning for medical emergencies administering the plan during emergency situations and assessing when and how to move injured and sick athletes An athletic trainer may not always be present at every practice and game As a coach it s crucial to have a basic understanding of first aid and injury prevention Sport First Aid is the most authoritative source for this potentially life saving information It will prepare you to respond appropriately in emergency situations meet your legal obligations as a coach and foster a safe environment for your athletes Critical Care Nursing - E-Book Linda D.
