Teaching Lifetime Outdoor Pursuits Jeff Steffen, Jim Stiehl, 2010 Do you want to help your middle and high school students become more resilient and patient acquire new skills and sharpen their problem solving abilities while feeling competent and good about themselves If you do then Teaching Lifetime Outdoor Pursuits is the ideal tool for you Editors Jeff Steffen and Jim Stiehl are nationally known physical educators with extensive experience in outdoor education teaching and teacher training They brought together some of the nation's foremost experts in specific outdoor pursuits such as bouldering caving rock climbing and orienteering to craft a book designed for physical educators who either have outdoor programs or who want to use outdoor activities in their traditional PE programs The 12 topics included in Teaching Lifetime Outdoor Pursuits represent the outdoor pursuits that show the greatest growth in traditional PE programs With each pursuit students can challenge themselves and spend time outside of the customary classroom context while sharing an adventure with their teachers that can create a profoundly different student teacher relationship Teaching Lifetime Outdoor Pursuits is a comprehensive resource whose ideas and content can be incorporated into a traditional PE program regardless of geographic location The activities for each pursuit align with NASPE content standards For each pursuit you are given detailed information on equipment needed basic skills and techniques required teaching strategies safety considerations and additional resources In addition Teaching Lifetime Outdoor Pursuits offers clear instruction on what to teach how to teach it and how to assess student learning an attached CD ROM that supplies objectives sample lessons sample assessments and universal programming ideas for each outdoor pursuit presented in the book and information to help you advocate for adding outdoor activities to your program This authoritative resource will help you leave no child inside as you teach pursuits that not only get kids outside now but also help them develop a lifetime habit of outdoor enjoyment

Skiing, 2005-02 *Everest, Inc.* Will Cockrell, 2005-04-22 Featuring original interviews with Everest mountain guides and climbers this is a fast moving nuanced account of the peak's transformation from the ultimate mountaineering challenge into a booming business opportunity Joshua Hammer New York Times bestselling author Anyone who has read Jon Krakauer's *Into Thin Air* or has seen a recent photo of climbers standing in line to get to the top of Everest may think they have a sense of what the world's highest mountain is like It's an extreme landscape where bad weather and incredible altitude can kill an overcrowded trashed out recreation destination and a place where the rich exploit local

Sherpas while padding their egos and social media feeds There s some truth to these clich s but they re a sliver of the story Unlike any book to date Everest Inc is the definitive account of how a few daring entrepreneurs paired raw courage and naked ambition to get paying clients safely up and down Everest Until the late eighties such a thing was considered impossible Within a few years Everest guiding was a burgeoning industry Today ninety percent of the people on the mountain are clients or employees of guided expeditions Studded with quotes from original interviews with more than a hundred Western and Sherpa climbers clients writers and filmmakers including Jimmy Chin and Conrad Anker Everest Inc foregrounds the colorful voices of the people who have made the mountain what it is today As professional climber and author Freddie Wilkinson says Whether you are thinking about taking a crack at the world s highest peak or are simply an armchair mountaineer trying to make sense of the complex dynamics driving the modern Everest industry Everest Inc should be required reading
