Generation Me - Revised and Updated Jean M. Twenge, 2006-04-11 The Associated Press calls them The Entitlement Generation and they are storming into schools colleges and businesses all over the country They are today's young people a new generation with sky high expectations and a need for constant praise and fulfillment In this provocative new book headline making psychologist and social commentator Dr Jean Twenge documents the self focus of what she calls Generation Me people born in the 1970s 1980s and 1990s Herself a member of Generation Me Dr Twenge explores why her generation is tolerant confident open minded and ambitious but also cynical depressed lonely and anxious Using findings from the largest intergenerational study ever conducted with data from 13 million respondents spanning six decades Dr Twenge reveals how profoundly different today's young adults are and makes controversial predictions about what the future holds for them and society as a whole But Dr Twenge doesn't just talk statistics she highlights real life people and stories and vividly brings to life the hopes and dreams disappointments and challenges of Generation Me With a good deal of irony humor and sympathy she demonstrates that today's young people have been raised to aim for the stars at a time when it is more difficult than ever to get into college find a good job and afford a house even with two incomes GenMe's expectations have been raised just as the world is becoming more competitive creating an enormous clash between expectations and reality Dr Twenge also presents the often shocking truths about her generation's dramatically different sexual behavior and mores GenMe has created a profound shift in the American character changing what it means to be an individual in today's society Engaging controversial prescriptive and often funny Generation Me will give Boomers new insight into their offspring and help GenMe'ers in their teens 20s and 30s finally make sense of themselves and their goals and find their road to happiness

Transgender in the Workplace Vanessa Sheridan, 2018-12-01 Offering a fresh and practical perspective for employers and gender diverse professionals this book presents useful tools information and resources to help organizations and individuals to understand and leverage the power of gender authenticity as a pathway to business success The unemployment rate for gender diverse individuals is disproportionately high This book will help employers to better understand why this blatant discrepancy exists It also provides useful solutions and potential remedies for the problem in the form of gender authenticity an exciting and powerful concept that is taking the global business community in innovative directions The breakthrough paradigm of gender authenticity is helping many organizations to become more inclusive while simultaneously gaining a significant competitive advantage The author a leading diversity consultant introduces five fundamentals for creating gender authentic workplaces Human resource and diversity professionals will not find a more useful source than this book to help people and organizations to deal effectively with the issue of gender diversity on the job and gender diverse employees will learn new strategies for advancing their careers while achieving and maintaining gender authenticity
