

Unit 1 Review

1. What is the difference between the three types of representative democracies: participatory democracy, pluralist democracy, and elite democracy?
 - Participatory – the people directly have the power to make policy
 - Pluralist – different groups compete/have power to make policy
 - Elite – a small group of people who have more power, make policy
2. Give examples of how participatory democracy is presented in American government.
State/local levels of government – initiative, referendum, & recall
 - Initiative – the people initiate/begin a law themselves
 - Referendum – the people vote directly on a law
 - Recall – the people can vote an elected official out of office before their term ends
3. Give examples of how pluralist democracy is presented in American government.
 - Interest groups
 - Political parties
4. Give examples of how elite democracy is presented in American government.
 - Old, white, rich, Protestant, men = Congress
 - Electoral College (electors choose the President)
5. Define popular sovereignty. How is this reflected in American government?
 - Consent of the governed/Government is created and given its power by the people
 - We choose our representatives (Congress members)
6. Define limited government. How is this reflected in American government?
 - A government that has limited powers (Constitution will limit the powers of the government)
 - Separation of powers, checks and balances, federalism, Bill of Rights
7. Define social contract. How is this reflected in American government?
 - Agreement between the people and government (people will agree to give up some freedoms/rights in order to be protected by the government)
 - Bill of Rights is not absolute (ex: can't yell fire in crowded movie theater), PATRIOT ACT after 9/11
8. Define republic. How is this reflected in American government?
 - Political system where people choose representatives to represent them
 - Electing our Congress members
9. What Enlightenment philosopher came up with the idea of natural rights? According to this person

To access your online resources go to kaptest.com moreonline and follow the directions. You'll need your book handy to complete the process. The College Board has announced that the 2021 exam dates for AP Gov will be May 3, May 20 or June 3 depending on the testing format. Each school will determine the testing format for their students. Expert Guidance. We know the test our AP experts make sure our practice questions and study materials are true to the exam. We know students every explanation is written to help you learn and our tips on the exam structure and question formats will help you avoid surprises on Test Day. We invented test prep. Kaplan www.kaptest.com has been helping students for 80 years and more than 95% of our students get into their top choice schools. American Government Alan R. Gitelson, Robert L. Dudley, Melvin J. Dubnick, 2017-01-27 What students think they know about politics is often based on common myths. Rather than dismissing those myths as outright falsehoods, this text encourages students to confront their preconceived notions in order to think critically about government and politics. Clearly and distinctively woven into each chapter, the myths and realities theme provides a pedagogical framework that engages students with interesting problems while effectively covering the core concepts of American government. **Corporate Rescue Law--an Anglo-American Perspective** Gerard McCormack, 2008-01-01 a highly readable and informative text and an excellent addition to insolvency scholarship. In their entirety, the chapters of Corporate Rescue Law: An Anglo-American Perspective represent one of the most incisive and relevant treatments of comparative insolvency regimes to date. This book is an absolute boon; it provides the reader with a mass of legal and practical insights into the workings of two ostensibly divergent systems and challenges received wisdom in a fluent and persuasive manner. Not only are legal differences examined through the lens of practice, but also commercial, philosophical, and social responses to failure are considered and highlighted as possible drivers of those real distinctions that do exist. Professor McCormack has produced an exceptional work that should be required reading for academics, practitioners, and policy makers alike and is to be warmly congratulated. Sandra Frisby, Banking and Finance Law Review. The issues are well chosen. They are easily the most important aspects of any corporate rescue law. The careful analysis of the technical provisions, the incorporation of the extensive scholarship on the two corporate rescue regimes, and the reference to practice in the real world all help to make these chapters an

indispensable tool for any scholar wishing to gain a better understanding of the similarities and differences of English and American corporate rescue laws This monograph could not have come at a better time The comparative account in this book will help law reformers judges and scholars to have a better grasp of the issues and appreciate better how the two systems have dealt with them Comparative law has a critical role to play in promoting mutual understanding and respect It is hoped that this monograph will help in that respect Wee Meng Seng Singapore Journal of Legal Studies This book offers an unprecedented and detailed comparative critique of Anglo American corporate bankruptcy law It challenges the standard characterisation that US law in the sphere of corporate bankruptcy is pro debtor and UK law is pro creditor and suggests that the traditional thesis is at best a potentially misleading over simplification Gerard McCormack offers the conclusion that there is functional convergence in practice while acknowledging that corporate rescue as distinct from business rescue still plays a larger role in the US The focus is on corporate restructurings with in depth scrutiny of Chapter 11 of the US Bankruptcy Code and the UK Enterprise Act and offers other comparative oversights Integrating theoretical and practical insights this book will be of great interest to academics and practitioners and also to policymakers in the DTI Insolvency Service and regulatory bodies
