 This book chronicles the role of travel intermediaries global distribution systems GDS travel management companies TMC

and online travel agencies OTA in the distribution of travel products The book covers the historical development of these intermediaries and explores their current state and future prospects Almost six decades after the introduction of computerized reservations systems and four decades after the introduction of Global Distribution Systems that allowed travel agents to make automated airline bookings the distribution of air products is amid a major transition A fundamental change is pricing power which shifts from the GDSs to the airlines for the indirect channel These changes are driven by advancements in technology market economics and airline cost controls leading to the emergence of new revenue models that will permanently alter the landscape of air distribution As a result travel intermediaries are experiencing the effects of these turbulent times and must adopt innovative approaches and initiatives to adapt and transform their business models rather than maintaining the status quo In addition to the ongoing transformation over the next decade the advancements in emerging technologies like blockchain and decentralized digital identity will further revolutionize the distribution landscape across all sectors of the travel industry

Cabin Crew Manual [Part 1] Ms. Adityaa Srivastava, Mr. Lenwin D'Souza
,2024-10-04 From time immemorial man has wished for wings to fly like birds to have unbound access of movement in the sky Just as the limitless sky their eagerness to fly was boundless resulting in justification of saying where there is a will there is a way This dream came true and one day man indeed began flying Although many people think that human flight began with the aircraft in the early 1900s people had already been flying for some 200 years before that Even Leonardo da Vinci nurtured this dream and had sketched some illustrations to explain a hang glider design Sketch of a Hang Glider by Leonardo da Vinci This book is however intended to furnish adequate knowledge to all aspiring cabin crew to understand the job aspired for distinctly and to decide thereafter whether it suits them and is preferred by them At the same time it could as well act as a guidebook for those who are already in the profession and intend to advance their career In addition to making the reader evaluate his/her liking for the profession and to decide about its suitability for him/her and plump for joining it thereafter this book elaborates upon the job and duties of cabin crew and suggests the means, procedures and methods that are to be adopted to make them fit for this extraordinary career Our heartfelt gratitude to Director Ms Pallavi Chaudhari for her cooperation and encouragement given by her throughout the writing the book We look forward to receive suggestions from the readers that would enhance the appeal/utility of this book
