Amelia Hutchins Fighting Destiny:

Fighting Destiny Amelia Hutchins,2013-06-02 What started out as a strange assignment lead to one of the most gruesome murder mysteries of our times My friends and I are set and determined to find out who is killing off Fae and Witches alike

Taunting Destiny Amelia Hutchins,E & L Editing Services,Vera Digital Art and Photography,2013-09-18 Adam and I are both going through identity crises of epic proportions as we Transition from who we were and discover who we were meant to be More Fae are dying and I feel as if time is running out for us to find all of those responsible and put an end to the killings The people I thought I could trust have betrayed me and the one person I should absolutely not trust is taking me deeper and deeper into his world Ryder s secrets are dangerous and devastating With each touch and word he pulls my heart closer to himself and at the same time he is trying to keep me at arm s length The dance he and I have begun is getting more complicated as our worlds are being shaken from all sides and the visions of the future are frightening and nothing like I had ever pictured for myself or those I care for This time destiny is taunting me I had always thought that I controlled my destiny Now my rights are being taken from me by powerful people and leaving me with alternatives that range between bad and awful This time the choices I have to make can decide the fate of both worlds Everything is unraveling and nothing will ever be the same again Synthia

Embracing Destiny Amelia Hutchins,2020-04-28 War has finally come to Faery Everything I thought I knew was wrong Truths have become lies and they have all begun to unravel around us I can no longer trust my instincts Ryder has changed but so have I We re evolving but into what I m not sure but I do know that it isn t what I wanted to become I don t know if I will survive this war One of us is holding back while the other continually moves forward toward the mages who endlessly slaughter the fae I think it s me I think I have to lose it all to gain what is missing inside of me How do you eradicate self when self is what you ve been fighting for Throw everything you think you know about the fae away Nothing is sacred and no one is safe from the monsters we re about to become

Escaping Destiny Amelia Hutchins,E & L Editing Services,Vera Digital Art & Photography,2014-02-15 I thought things couldn t get worse I was wrong I found out what I really wanted and was forced to give him up Just as I found out who I really am I was presented to the elusive Horde King as a gift This was the mystical being I was hidden from for more than twenty years Although Ryder promised to save me I couldn t let him get near this creature so I willingly sort of signed myself over to be his new plaything Now in the Horde Realm nothing is going remotely like I thought it would My powers and emotions are on the fritz and each day seems to bring surprises that I am not sure how to deal with The Horde King thinks he has me exactly where he wants me He thinks he has taken all of my options away I still have choices Embracing what destiny has planned for me or escaping it
