Religion in the Lands That Became America Thomas A. Tweed, 2025-05-13 A sweeping retelling of American religious history showing how religion has enhanced and hindered human flourishing from the Ice Age to the Information Age Until now the standard narrative of American religious history has begun with English settlers in Jamestown or Plymouth and remained predominantly Protestant and Atlantic Driven by his strong sense of the historical and moral shortcomings of the usual story Thomas A Tweed offers a very different narrative in this ambitious new history He begins the story much earlier 11 000 years ago at a rock shelter in present day Texas and follows Indigenous Peoples African Americans transnational migrants and people of many faiths as they transform the landscape and confront the big lifeway transitions from foraging to farming and from factories to fiber optics Setting aside the familiar narrative themes he highlights sustainability showing how religion both promoted and inhibited individual communal and environmental flourishing during three sustainability

crises the medieval Cornfield Crisis which destabilized Indigenous ceremonial centers the Colonial Crisis which began with the displacement of Indigenous Peoples and the enslavement of Africans and the Industrial Crisis which brought social inequity and environmental degradation The unresolved Colonial and Industrial Crises continue to haunt the nation Tweed suggests but he recovers historical sources of hope as he retells the rich story of America s religious past Masters of Deceit: The Story of Communism in America and How to Fight It J. Edgar Hoover,2020-09-28 Many Americans have not stopped to realize what a Soviet America would mean The communists however have no doubts Their blueprints are already made So at the very outset let us look at their dream and see what it would mean to you and me and all the people we know In June 1957 Nikita Khrushchev Soviet Communist Party boss was interviewed before a nation wide American television audience With calm assurance he stated I can prophesy that your grandchildren in America will live under socialism And please do not be afraid of that Your grandchildren will not understand how their grandparents did not understand the progressive nature of a socialist society William Z Foster former National Chairman of the Communist Party of the United States now Chairman Emeritus of the Party s National Committee also predicted that this nation will one day become communist when he stated in 1949 in dedicating his book *The Twilight of World Capitalism* To My Great Grandson Joseph Manley Kolko Who Will Live in a Communist United States These words of Russia s top Party boss and one of the highest ranking communists in the United States reveal the nature of the enemy we face To make the United States a communist nation is the ambition of every Party member regardless of position or rank He works constantly to make this dream a reality to steal your rights liberties and property Even though he lives in the United States he is a supporter of a foreign power espousing an alien line of thought He is a conspirator against his country The communist is thinking in terms of now in your lifetime Remember that within four decades communism as a state power has spread through roughly 40 per cent of the world s population and 25 per cent of the earth s surface Some years ago communists were complaining that their fatherland Soviet Russia was encircled a communist island in a capitalist sea Today the situation is changed The world communist movement is on the march into Germany the Balkans the Middle East stretching across the plains of Asia into China Korea and Indochina Communists have never won over an entire country by a free election and have never hesitated to shed blood if this would best serve their purposes Moreover in noncommunist countries thousands of Party members are working for Moscow Communists firmly believe they are destined to conquer the world This belief is held in the United States too A disciplined Party of hard core fanatical members is now at work with their fellow travelers sympathizers opportunists and dupes Communists in our country though small in numbers do not feel lonely They have faith in the big Red brother who will come to their help William Z Foster s hope a Red America is today inspiring thousands of Party members and sympathizers to determined effort They want to add America to Soviet Russia s list of conquests **Congressional Record** United States. Carnegie's Model Republic A. S. Eisenstadt, 2012-02-01 Andrew Carnegie 1835 1919 has long been known as a leading American industrialist a man of great wealth and great philanthropy What is not as well known is that he was actively involved in Anglo American politics and tried to promote a closer relationship between his native Britain and the United States To that end Carnegie published *Triumphant Democracy* in 1886 in which he proposed the American federal republic as a model for solving Britain's unsettling problems On the basis of his own experience Carnegie argued that America was a much improved Britain and that the British monarchy could best overcome its social and political turbulence by following the democratic American model He expressed a growing belief that the antagonism between the two nations should be supplanted by rapprochement A S Eisenstadt offers an in depth analysis of *Triumphant Democracy* illustrating its importance and illuminating the larger current of British American politics between the American Revolution and World War I and the fascinating exchange about the virtues and defects of the two nations

Colonial America in Literature for Youth Joy L. Lowe, Kathryn I. Matthew, 2003 In this book Colonial America is defined as the years from 1607 when Jamestown was founded to 1776 when the American Revolution began following the signing of the Declaration of Independence The focus of the book is on the English settlements that fought for independence from England and became the United States of America

America in JeruSALEm 'Anat First, Eli Avraham, 2009-01-01 *America in JeruSALEm* develops a model that demonstrates the process of Americanization versus national identity in small countries toward the end of the twentieth century and the beginning of the twenty first using advertisements to understand this process The authors present Israel as a test case because it is trying to maintain a new Israeli culture a Jewish tradition and a unique language Hebrew against the background of an ongoing national conflict
