Targeting Grammar Grades 5-6 Teacher Created Resources, Inc, 2009-06 The first part of each book covers specific parts of speech such as nouns adjectives pronouns verbs and adverbs as well as the structure of sentences The last part provides games for a bit of fun task cards for extra practice and word banks to save teachers some time The overall goal is to help students learn enough about grammar to communicate easily and effectively to evaluate the myriad of messages that surround them and to function successfully in business and society Building Education Together (BET) Bruno Guedes, 2024-10-30 Building Education Together BET Reducing dropout rates in English as a Foreign Language programs through enhanced collaboration and motivation In Chile the high dropout rate of English programs places the country among those with the lowest proficiency levels globally This study aims to decrease these rates by creating high quality materials based on gamification Information and Communication Technology ICT and collaborative work The intervention conducted with adult learners in an institute in Santiago revealed that the combination of games technology and future oriented tasks significantly increased motivation and classroom participation while also reducing dropout intentions The results indicate that a collaborative and motivational educational approach can improve students confidence and future self image contributing to effective English learning **The American Journey** Joyce Oldham Appleby, Alan Brinkley, James M. McPherson, 2003 The Social Construction of Age Patricia Andrew, 2012-01-11 This book explores the social construction of age in the context of EFL in Mexico It is the first book to address the age factor in SLA from a social perspective Based on research carried out at a public university in Mexico it investigates how adults of different ages experience learning a new language and how they enact their age identities as language learners By approaching the topic from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena such as gender ethnicity and social class For the Common Good Matthew W. Finkin, Robert C. Post, 2009-04-21 This book offers a concise explanation of the history and meaning of American academic freedom and it attempts to intervene in contemporary debates by clarifying the fundamental functions and purposes of academic freedom in America From publisher description **The Story of America** John Arthur Garraty, 1994 **American Headway 1** Liz Soars, John Soars, 2001
