## **American History 14th Edition:**

This Day in American History, 4th ed. Ernie Gross, Roland H. Worth, Jr., 2012-06-04 This up to date fourth edition of the most important and interesting data on a day by day basis throughout American history includes more than 1 400 new entries with information on a wide variety of subjects both the important matters Supreme Court decisions war events scientific breakthroughs etc and the lesser known but thought provoking incidents and phenomena societal changes unexpected events that add richness and depth to American history

The Automobile and American Life, 2d ed. John Heitmann, 2018-08-14 Now revised and updated this book tells the story of how the automobile transformed American life and how automotive design and technology have changed over time It details cars inception as a mechanical curiosity and later a plaything for the wealthy racing and the promotion of the industry Henry Ford and the advent of mass production market competition during the 1920s the development of roads and accompanying highway culture the effects of the Great Depression and World War II the automotive Golden Age of the 1950s oil crises and the turbulent 1970s the decline and then resurgence of the Big Three and how American car culture has been represented in film music and literature Updated notes and a select bibliography serve as valuable resources to those interested in automotive history

**Edward Channing and the Great Work** D.D. Joyce, 2012-12-06 Twenty years after Edward Channing s death in 1931 historians differed rather widely in their evaluation of his work A British author surveying American historiography since 1890 was quite critical of Channing s major contribution the six volume History of the United States contending that it won only a contemporary reputation which is not wearing well 1 Referring specifically to the second volume of the History this writer stated his feeling that it added little of substance to what was to be found in earlier works and that it was so partisan as sometimes to be quite misleading 2 Quite a different view was expressed by an American historian writing in the same year He felt that Channing seemed assured of a niche in the his torians Hall of Fame as one of the giants of American historiography 3 Many of Channing s findings were new this writer emphasized and had been useful to other historians He concluded that Channing s History wears well twenty years after his death and indeed remains one of the major accomplishments in the field of American historical writing Some support is given to the latter interpretation by a poll of historians once again dated 1952 to determine preferred works in American history published between 1920 and 1935 Channing s History finished eighth fol lowing only the works of Parrington Turner Webb Beard Andrews 5 Becker and Phillips

**The American Catalogue** ,1891 *Congress and Its Members, Fourteenth Edition* Roger H. Davidson, Walter J. Oleszek, Frances E. Lee, Eric Schickler, 2013-07-22 Congress and Its Members is the gold standard for the Congress course Over 13 editions the book has offered comprehensive coverage of the U S Congress and the legislative process by looking at the tension between Congress as a lawmaking institution and as a collection of re election minded politicians The fourteenth edition accounts for the 2012 elections and includes discussion of the agenda of the new Congress White House Capitol Hill relations party and committee leadership changes judicial

appointments and partisan polarization as well as covering changes to budgeting campaign finance lobbying public attitudes about Congress reapportionment rules and procedures Always balancing great scholarship with currency the book features lively case material along with relevant data charts exhibits maps and photos Annual Report United States. National Historical Publications and Records Commission,1982 **A Classed Catalogue of the Library of the Cambridge High School** Cambridge (Mass.). High School. Library,1853 **Our Country's Presidents** Ann Bausum,2021-01-12 Features comprehensive profiles of the 44 former presidents along with timelines and descriptions of crucial events during their terms Information about the 2020 president elect is also included Monthly Catalog of United States Government Publications United States. Superintendent of Documents,1935 *Global Faith, Worldly Power* John Corrigan,Melani McAlister,Axel R. Schäfer,2022-09-15 Assessing the grand American evangelical missionary venture to convert the world this international group of leading scholars reveals how theological imperatives have intersected with worldly imaginaries from the nineteenth century to the present Countering the stubborn notion that conservative Protestant groups have steadfastly maintained their distance from governmental and economic affairs these experts show how believers ambitious investments in missionizing and humanitarianism have connected with worldly matters of empire the Cold War foreign policy and neoliberalism They show too how evangelicals international activism redefined the content and the boundaries of the movement itself As evangelical voices from Africa Asia and Latin America became more vocal and assertive U S evangelicals took on more pluralistic multidirectional identities not only abroad but also back home Applying this international perspective to the history of American evangelicalism radically changes how we understand the development and influence of evangelicalism and of globalizing religion more broadly In addition to a critical introduction and essays by editors John Corrigan Melani McAlister and Axel R Schäfer are essays by Lydia Boyd Emily Conroy Krutz Christina Cecelia Davidson Helen Jin Kim David C Kirkpatrick Candace Lukasik Sarah Miller Davenport Dana L Robert Tom Smith Lauren F Turek and Gene Zubovich
