Burkhalter, 2010-12-10 History Romance Destiny The Third Novel in the Trilogy Dr John Burel s great grandson John Harrison was a toddler when his family pioneered from South Carolina to Mississippi As a youngster he proudly helped his family bellwether the Civil War and rebirth of the New South By the early 1900s he was a prosperous farmer and landowner Time passed quickly and too soon he was an old man Join Grandpa and feel the biting north wind as he shuffled onto the front porch cupped his hands around his mouth and shouted It s hog killing day Watch the bustling families rush toward the big house to slaughter enough hogs to carry them through the winter Summer finally arrived and brought old time gospel singing and preaching to their country church on the hill Mama rose early on Sunday morning and filled her basket with fried chicken biscuits baked sweet potatoes and fried apple pies After preaching there was going to be another dinner on the ground Everyone was excited Without a doubt those were the good years But all that changed Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt Feel Grandpa s pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars Sit for awhile and listen to his grandson Cecil Allen Burrell The Man Himself as his thought provoking stories detail how they all survived those disastrous years With their eyes on the future John Harrison s children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great3 Grandfather Dr Jean Baptiste Elzear Burel in 1778 **The Essentials of American History** Richard Nelson Current, 1986 American History Richard N. Current, 1986 The Challenge of American History Louis P. Masur, 1999-05-20 In The Challenge of American History Louis Masur brings together a sampling of recent scholarship to determine the key issues preoccupying historians of American history and to contemplate the discipline s direction for the future The fifteen summary essays included in this volume allow professional historians history teachers and students to grasp in a convenient and accessible form what historians have been writing about *The Worst President--The Story of James Buchanan* Garry Boulard, 2015-03-23 Just 24 hours after former President James Buchanan died on June 1 1868 the Chicago Tribune rejoiced This desolate old man has gone to his grave No son or daughter is doomed

to acknowledge an ancestry from him Nearly a century and a half later in 2004 writer Christopher Buckley observed It is probably just as well that James Buchanan was our only bachelor president There are no descendants bracing every morning on opening the paper to find another heading announcing Buchanan Once Again Rated Worst President in History How to explain such remarkably consistent historical views of the man who turned over a divided and demoralized country to Abraham Lincoln the same man regarded through the decades by presidential scholars as the worst president in U S history In this exploration of the presidency of James Buchanan 1857-61 Garry Boulard revisits the 15th President and comes away with a stunning conclusion Buchanan s performance as the nation s chief executive was even more deplorable and sordid than scholars generally know making his status as the country s worst president richly deserved Boulard documents Buchanan s failure to stand up to the slaveholding interests of the South his indecisiveness in dealing with the secession movement and his inability to provide leadership during the nation s gravest constitutional crisis Using the letters of Buchanan as well as those of more than two dozen political leaders and thinkers of the time Boulard presents a narrative of a timid and vacillating president whose drift and isolation opened the door to the Civil War The author of *The Expatriation of Franklin Pierce The Story of a President and the Civil War* iUniverse 2006 Boulard has reported for the New York Times and the Los Angeles Times and is a business writer for the Albuquerque based Construction Reporter

The New Deal's War on the Bill of Rights David T. Beito, 2023-10-10 Spying on citizens Censoring critics Imprisoning minorities These are the acts of dictators not American presidents Or are they The legacy of President Franklin D Roosevelt enjoys regular acclaim from historians politicians and educators Lauded for his New Deal policies leadership as a wartime president cozy fireside chats and groundbreaking support of the forgotten man FDR we have been told is worthy of the same praise as men like Washington Jefferson and Lincoln But is that true Does the father of today s welfare state really deserve such generous approbation Or is there a dark side to this golden legacy *The New Deal s War on the Bill of Rights The Untold Story of FDR s Concentration Camps Censorship and Mass Surveillance* unveils a much different portrait than the standard orthodoxy found in today s historical studies Deploying an abundance of primary source evidence and well reasoned arguments historian and distinguished professor emeritus David T Beito masterfully presents a complete account of the real Franklin D Roosevelt a man who abused power violated human rights targeted dissidents and let his crude racism imprison American citizens merely for being of Japanese descent Read it and discover how FDR shamelessly censored critics of his administration barred them from the public square destroyed their careers and even bankrupted them when possible locked up Japanese American citizens in concentration camps built on American soil sowed the seeds of today s out of control surveillance state and much much more Here is an all too rare portrait of a man who changed the course of American history not for the better Read it and you ll never view the fireside president the same again
