

The American Dream In the Great Gatsby

4 pages | 942 words

When I was about eight years old, I wanted to be a celebrity singer. In reality, I was an awful singer. But at the time I was infatuated by the idea of the spotlight and the success that intertwines with it. The American Dream and its promise of a better life entrances people of all ages. People all across the country work towards money, fame, love and ultimately happiness. But what if the American Dream is nothing more than simply that- a dream? Jay Gatsby from F. Scott Fitzgerald's *The Great Gatsby* finds himself engrossed with the idea of once again winning the affection of his former lover, Daisy. Norma Desmond from *Sunset Boulevard*, a 50 year old former starlet striving to be 20 again, writes a script that she believes will jumpstart her return to the screen and all her adoring fans. Nothing, other than their biggest desire, will make either of them feel complete. However, it is slowly revealed that their one wish is unattainable. Gatsby discovers that Daisy cannot hold up to the weight of his imagined version of her and that she does not love him in the same, unrelenting way that he loves her. Norma finds that Hollywood has moved on and has already forgotten her legacy. Both characters feel they let their chance of happiness slip through their fingers, and are now grasping at nothing to bring back the past. The American Dream is impossible to achieve, yet Jay Gatsby and Norma Desmond convince themselves otherwise- only to fail miserably. It was not that they did not give enough effort, but rather they were doomed from the start, striving towards a dream that was never accessible in the first place. The unfortunate endings of Jay Gatsby's death and the insanity of Norma Desmond show us that the American Dream is unattainable and nothing more than an intangible mirage. For years, Gatsby dedicated his life to repeating the past and fulfilling his dream of earning Daisy's love again. There was no line Gatsby wasn't willing to cross in order to win over Daisy, a fact that becomes clear once Nick discovered his criminal activity in order to acquire his immense wealth. In Gatsby's eyes, the chemistry he once shared with Daisy could be rekindled- but this time he would have enough money to keep her happy. Gatsby was much like a spider as he weaved a careful web of stories and likely orchestrated many 'chance' events and encounters in order to lure Daisy, his prized fly, towards him. The endless parties and the open invitation were all planned with hopes her attendance. The first time we meet Gatsby we see him stretching his arms out across the water toward a green light that hangs by Daisy's house. This action of reaching towards something that cannot be reached is the perfect symbol for Gatsby's impossible objective, his American Dream. This green light is what gives Gatsby purpose in life, but this purpose eventually becomes an obsession. Gatsby puts Daisy up on a pedestal and she eventually becomes a goddess-like being to him. Imagined qualities of her...

Unfortunately this age of prosperity complete independence self reliance and opportunity quickly became an age of downfall in order to pursue this utopia people were asked to work harder In consequence they could not prosper themselves but only endured Fitzgerald condemns this American society of the 1920s that has lost its pursuit of progress for happiness to finally become purely materialistic and corrupt In this essay I will deal with the road from the Midwest to New York City and the road from West Egg to East Egg both exemplifying the decay of the American Dream personified by the characters of Jay Gatsby and Nick Carraway as there is a strong relationship in the novel between the geography of the roads and the characters social values On the one hand is the journey of Nick Carraway coming from the Midwest and going to New York City where he discovers corruption and immorality On the other hand we find the road Jay Gatsby is following to be accepted among the wealthie

The Road as the Decay of the American Dream in Fitzgerald's "The Great Gatsby" Sophie Bertrand,2012-02-02 Essay from the year 2011 in the subject English Language and Literature Studies Literature grade 15 5 University of Avignon Facult de philosophie arts et lettres course English Literature In Depth Study Of A Theme language English abstract Francis Scott Fitzgerald s The Great Gatsby was published in New York in 1925 Those years in America the 1920s are often considered as the Roaring Twenties a decade of great social change a decade of jazz an age of success and American Dream an age of everything The American Dream is often described as the aspiration of young Americans to live better than their parents without war poverty and misfortune but with love wealth and happiness In fact after World War I many Americans wished to return to the peaceful time they had before the war During the 1920s Americans focused on building economic prosperity and most people focused on the present with little concern for the future life became easier and more enjoyable Unfortunately this age of prosperity complete independence self reliance and opportunity quickly became an age of downfall in order to pursue this utopia people were asked to work harder In consequence they could not prosper themselves but only endured Fitzgerald condemns this American society of the 1920s that has lost its pursuit of progress for happiness to finally become purely materialistic and corrupt In this essay I will deal with the road from the Midwest to New York City and the road from West Egg to East Egg both exemplifying the decay of the American Dream personified by the characters of Jay Gatsby and Nick Carraway as there is a strong relationship in the novel between the geography of the roads and the characters social values On the one hand is the journey of Nick Carraway coming from the Midwest and going to New York City where he discovers corruption and immorality On the other hand we find the road Jay Gatsby is following to be accepted among the wealthiest and to be loved by Daisy This road from West Egg to East Egg represents the movement from solemnity and honesty to obsession of class and privilege I wish to show that these two roads epitomize the decay of the American Dream through two main characters of the novel and in two different ways that we will discover in this essay the two roads or journeys that are followed by these two characters start from a point of moral prosperity to move them towards a state of moral decay Gatsby more profoundly than the Nick This essay will be twofold the first part will concern the road

from West Egg to East Egg that Jay Gatsby follows while the second part will deal with the road of Nick Carraway the road from the Midwest to New York City *Richard Yates and the Flawed American Dream* Jennifer Daly, 2017-09-12 Richard Yates 1926 1992 has been described as a writer's writer but has never received the critical attention befitting that designation Firmly rooted in the zeitgeist of 1950s his work remains startlingly relevant addressing themes of American identity the nature of marriage and relationships between men and women and what it means to get ahead in a society entranced by a flawed American Dream This collection of new essays is the first to focus on this under appreciated author It opens up his body of work for a new generation of readers and positions Yates as a writer of significance in the American tradition **American Dreams** Ricardo Miguez, 2009-03-26 The scholars included in this collection sought to indicate more contemporary working definitions for the expression American Dream or rather Dreams The multidisciplinary selections come from many countries and represent scholars from different backgrounds They reflect the current developments and approaches in the field of US Studies and we hope to help broaden the scope of programs in higher education institutions The chapters are thematically organized in two sections Initial Dialogues and Comparative Dialogues The first one comprises essays that set the foundations for our discussions and intends to familiarize newcomers with the theme The second section extends the possibilities of working comparatively with the American Dreams and a number of other interdisciplinary fields of interest for US Studies programs **Bloom's how to Write about F. Scott Fitzgerald** Kim Becnel, 2008 Known for his masterwork *The Great Gatsby* a searing criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of creating what many readers and scholars consider to be the great American novel Bloom's *How to Write about F Scott Fitzgerald* offers valuable paper topic suggestions clearly outlined strategies on how to write a strong essay and an insightful introduction by Harold Bloom on writing about Fitzgerald This new volume is designed to help students develop their analytical writing skills and critical comprehension of this modern master and his major works *Handbook of the American Novel of the Twentieth and Twenty-First Centuries* Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James's *The Ambassadors* to McCarthy's *The Road* These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification
